Suddenly Sixty And Other Shocks Of Later Life:

Suddenly Sixty Judith Viorst, 2001-02-21 Judith Viorst is known and loved by readers of all ages for children's books such as *Alexander and the Terrible Horrible No Good Very Bad Day* nonfiction titles including the bestseller *Necessary Losses* and her collections of humorous poetry in her decade series which make perfect gifts for birthdays Mother's Day graduation Christmas Chanukah or at any time of year *Suddenly Sixty* is a funny and touching book that speaks directly to the sixtyish woman inviting her to laugh about sigh over and come to hopeful terms with the complex issues of this decade of life Among the poems in this charmingly illustrated collection are those exploring the joys and strains of children and grandchildren and the intimacy of old friends who've known each other so long We knew each other back when we were virgins There are poems that tip their hat to mortality wrestle with a husband's retirement He's coming with me when I shop at the supermarket So I won't have to shop alone I like alone and acknowledge the fact that at this stage of life we'd give up a night of wild rapture with Denzel Washington for a nice report on my next bone density test Offering plenty of laughs a few tears and cover to cover truths these are poems for everyone who would rather say never say die than enough is enough Every woman who has reached this decade will rueful and smiling find herself in the pages of this book *Merry Wives and Others*

Penelope Fritzer, Bartholomew Bland, 2010-06-28 In many ways the history of domestic humor writing is also a history of domestic life in the twentieth century For many years domestic humor was written primarily by females significant contributions from male writers began as times and family structures changed It remains timeless because of its basis on the relationships between husbands and wives parents and children houses and inhabitants pets and their owners chores and their doers and neighbors This work is a historical and literary survey of humorists who wrote about home It begins with a chapter on the social context of and attitudes toward traditional domestic roles and housewives The following chapters beginning with the 1920s and continuing through today cover the different time periods and the foremost American domestic humorists and the humor written by surrogate parents grown children about their childhood families husbands and Canadian and English writers Also covered are the differences among various writers toward traditional domestic roles some like Erma Bombeck and Judith Viorst embraced them while others like Caryl Kristenson and Marilyn Kentz resisted them Common themes such as the isolation and competitiveness of housework home as an idealized metaphysical goal and ongoing physical challenge and the urban suburban and rural life are also explored *Forever Fifty* Judith Viorst, 1996-09-03 Amusing poems written about various aspects of being fifty years old **The Art of Marriage Maintenance** Sylvia R. Karasu, T. Byram

Karasu, 2005-06-09 Given the fact that 50% of marriages end in divorce you would think marriage wouldn't be so popular but getting married is one of the most popular of all life events In fact many new couples are willing to face considerable debt for the wedding ceremony alone It seems that many people spend more time on planning the wedding than on thinking about marriage and what it entails *The Art of Marriage Maintenance* is about marital life after the wedding It is about psychological

and biological difficulties between men and women that make marriage so challenging It is about why passion is in danger of fading within marriage how hormones exacerbate behavior and how the brain confounds us It is about how pregnancy and having young children and adolescents often catapult a marriage to its breaking point and how the stresses of mid life contribute to marital discord It is in effect how to ensure a happy enduring marriage It is the art of marriage maintenance
