Suffering in Silence Kathleen Colagiovanni,2024-06-20 These true events may be hard for some people to read From child abuse to negligent care from medical professionals this is Jomar s story At only three months old Jomar suffered traumatic injuries throughout his body alongside a life threatening birth defect There were many instances where this child should not have survived due to the bodily harm that he endured A young mother began fighting for the rights of her child as she tried to prove her innocence The tattoos that were laid over her body like a canvas only made her look more threatening in the eyes of the world In order to get justice for her child she went through hell and back Yet no justice has been served Hopefully this will bring light to the horrific acts against a newborn child and the pain his mother had to endure Now at only two years old Jomar cannot remember the pain that he went through nor can he speak to tell his story Suffering in

Suffering in Silence Shakita Mitchell,2020-06-23 Many people live their lives suffering in silence they walk around with their mouths smothered never speaking about their past or current pain because fear has paralyzed them from speaking They walk through life with hurt and brokenness in their heart carrying the burden of their pain and all along they are suffering in silence The reason people suffer in silence is because they don't speak on their pain they may feel the guilt of shame and embarrassment of their past so they cover up their pain by finding a coping mechanism such as drugs alcohol sex and more They also mask their pain with pretend trying to distinguish between what's reality and what is fictional and yet suffering in silence What does it mean to suffer in silence It means to be unhappy without saying anything however what causes a person to suffer in silence could be depression grief abuse and much more It's a pain that is unspoken of that can eat you up if it's not dealt with your outward appearance look good but your inner self is Suffering In Silence Don't allow the enemy to use fear to paralyze you from speaking You have a voice break your silence and speak be healed and be free

**Suffering in Silence While Dealing with the Pain Within** Leandra Green,2017-11-06 A common problem that we see many people struggle with is internalizing their pain and never really getting to the root cause of the problem I personally almost drowned in my pain by suffering in silence and this by far was one of the hardest seasons that I have ever faced in life This book was written to encourage those that are currently in this position It will encourage you to deal with the hard facts and reality that the pain in your life will never leave until you address it Prepare yourself to be mentally spiritually and emotionally challenged to walk down the journey called healing Author Leandra Green will inspire you to expose the skeletons in your closet that you have buried deep in an attempt to escape your pain As you read this book it will ultimately cause you to see your pain from a place of victory instead of a
