Comparative Mysticism Steven T. Katz, 2013 This collection of primary texts introduces readers to the mystical literature of the world s great religious traditions Beginning with an introduction by Steven T Katz a leading scholar of mysticism the anthology comprises poetry prayer narrative and other writings from Jewish Christian Muslim Hindu Buddhist Taoist Confucianist and Native American traditions This collection provides readers not only with the primary mystical texts from each religious tradition but with an explanation of the context of the source and tradition Comparative Mysticism shows how the great mystical traditions of the world are deeply rooted in the religious traditions from which they originated The contextual methodological approach taken throughout the anthology also addresses the critical question of what these mystical traditions at their highest level have in common Despite the prevailing view that mystical traditions throughout the world are essentially similar the presentation of the sources in this volume suggests that in fact the various traditions have distinct teachings and different metaphysical goals The writings collected in

Comparative Mysticism address the most fundamental and important methodological epistemological and hermeneutical questions regarding the study and interpretation of mysticism and mystical sources across cultures This anthology will be an invaluable resource to students and scholars of mystic tradition for years to come Routledge Handbook on Sufism Lloyd Ridgeon,2020-08-09 This is a chronological history of the Sufi tradition divided in to three sections early middle and modern periods The book comprises 35 independent chapters with easily identifiable themes and or geographical threads all written by recognised experts in the field The volume outlines the origins and early developments of Sufism by assessing the formative thinkers and practitioners and investigating specific pietistic themes The middle period contains an examination of the emergence of the Sufi Orders and illustrates the diversity of the tradition This middle period also analyses the fate of Sufism during the time of the Gunpowder Empires Finally the end period includes representative surveys of Sufism in several countries both in the West and in traditional Islamic regions This comprehensive and up to date collection of studies provides a guide to the Sufi tradition The Handbook is a valuable resource for students and researchers with an interest in religion Islamic Studies and Middle Eastern Studies *An Introduction to Sufism* Titus Burckhardt,1976 This introduction to the study of the doctrines of Sufism provides seekers with a clear understanding of the mystical tradition of Islam The work defines the nature of Sufism discusses it in relation to Christian mysticism and Hinduism examines its foundations and ends with the elements of operative Sufism Drawing on his scholarship Burckhardt provides a comprehensive and clearly organized overview to Sufism **Sufism** Ahmet T. Karamustafa,2007-04-12 This book is a comprehensive historical overview of the formative period of Sufism the major mystical tradition in Islam from the ninth to the twelfth century CE Based on a fresh reading of the primary sources and integrating the findings of recent scholarship on the subject the author presents a unified narrative of Sufism s historical development within an innovative analytical framework Karamustafa gives a new account of the emergence of mystical currents in Islam during the ninth century and traces the rapid spread of Iraq based Sufism to other regions of the Islamic world and its fusion with indigenous mystical movements elsewhere most notably the Malr cultural context *Classical Islam and the Naqshbandi Sufi Tradition* Muhammad Hisham Kabbani,2004 The Naqshbandi Sufi Tradition is one of the most distinguished and respected schools of Islamic spirituality Its long and glorious history stretches back to the earliest days of Islam and it has always played a central pivotal role in the life of the Muslim world Led by the shaykhs of the Golden Chaininheritors of the secret knowledge of the prophets and saintsthe Naqshbandi Order survived the turmoil and tribulations of the past century and remains one of the few authentic mystical traditions that still maintains a living link with its ancient past Now for the first time the history and teachings of the Naqshbandi Way are being made available to the public Classical Islam and the Naqshbandi Sufi Tradition is the most detailed and authentic book ever written about a Sufi order in English Providing a comprehensive history of the Naqshbandi Tradition the author Shaykh Muhammad Hisham Kabbani one of the most respected teachers of Islamic spirituality in the

world today traces the lives of its foremost teachers from Prophet Muhammad upon whom be peace to the present Their life stories are intimately woven with landmark events of history from the time of the Companions to the fall of the Ottoman Empire and the reemergence of Islam in the former Soviet Union However this book also contains much more It details the fundamental principles of the Sufi path and the primary teachings of the Naqshbandi Order exploring the doctrines and philosophy behind this important current in spiritual thinking

Sufism in Western Contexts Marcia K. Hermansen, Saeed Zarrabi-Zadeh, 2023-07-03 Sufism in Western Contexts explores both historical trajectories and multiple contemporary manifestations of Islamic mystical movements ideas and practices in diverse European North and South American countries as well as in Australia all traditionally non Muslim regions of the global West From early French and British colonial administrators who admired Persian poetry to nineteenth century American transcendentalists followed by South Asian and Middle Eastern immigrant Sufi guides and their movements expansive and many faceted expressions of Sufism such as its role in Western esotericism female whirling dervishes and Rumi cafes and new articulations in cyberspace are traced and analyzed by international experts in the field

The Garden of Truth Seyyed Hossein Nasr, 2007-09-18 The headlines are filled with the politics of Islam but there is another side to the world s fastest growing religion Sufism is the poetry and mysticism of Islam This mystical movement from the early ninth century rejects worship motivated by the desire for heavenly reward or the fear of punishment insisting rather on the love of God as the only valid form of adoration Sufism has made significant contributions to Islamic civilization in music and philosophy dance and literature The Sufi poet Rumi is the bestselling poet in America But in recent centuries Sufism has been a target for some extremist Islamic movements as well as many modernists The Garden of Truth presents the beliefs and vision of the mystical heart of Islam along with a history of Sufi saints and schools of thought In a world threatened by religious wars depleting natural resources a crumbling ecosystem and alienation and isolation what has happened to our humanity Who are we and what are we doing here The Sufi path offers a journey toward truth to a knowledge that transcends our mundane concerns selfish desires and fears In Sufism we find a wisdom that brings peace and a relationship with God that nurtures the best in us and in others Noted scholar Seyyed Hossein Nasr helps you learn the secret wisdom tradition of Islam and enter what the ancient mystics call the garden of truth Here liberate your mind experience peace discover your purpose fall in love with the Divine and find your true best self

Sufism Ernst, **A Treasury of Mystic Terms: The universe of spirituality with biographic and bibliographic glossary, bibliography and index** John Davidson, 2003 *The Routledge Companion to Islamic Philosophy* Richard C. Taylor, Luis Xavier López-Farjeat, 2015-08-20 This valuable reference work synthesizes and elucidates traditional themes and issues in Islamic philosophy as well as prominent topics emerging from the last twenty years of scholarship Written for a wide readership of students and scholars The Routledge Companion to Islamic Philosophy is unique in including coverage of both perennial philosophical issues in an Islamic context and also distinct concerns that emerge from Islamic religious

thought This work constitutes a substantial affirmation that Islamic philosophy is an integral part of the Western philosophical tradition Featuring 33 chapters divided into seven thematic sections this volume explores the major areas of philosophy Logic Metaphysics Philosophy in the Sciences Philosophy of Mind Epistemology and Ethics Politics as well as philosophical issues salient in Islamic revelation theology prophecy and mysticism Other features include A focus on both the classical and post classical periods A contributing body that includes both widely respected scholars from around the world and a handful of the very best younger scholars Reference and Further Reading sections for each chapter and a comprehensive index for the whole volume The result is a work that captures Islamic philosophy as philosophy In this way it serves students and scholars of philosophy and religious studies and at the same time provides valuable essays relevant to the study of Islamic thought and theology

A Treasury of Mystic Terms, Part 1 John Davidson, 2003 The Treasury is a collection of the spiritual terms found in the literature of the world's religious and mystical traditions Its primary objective is to elucidate the meaning of the essential terms used by the various spiritual and religious traditions of the world throughout history It is not primarily intended as a dictionary or as an encyclopedia nor is it a definitive treatise on any particular subject or religion It is meant to help the ordinary person understand some of the basic principles of his or her religious background within the framework of a universal understanding of spirituality All terms are explained in a simple manner with each term presented as a separate entry With the explanations grouped according to subject and placed alongside one another many similarities between the various religions immediately become apparent Among these many pages the reader will find a mixture of interesting concepts quotations thoughts perceptions and ideas There should be something for everyone whoever they are and whatever their bent of mind The Treasury is prepared and edited by an international team of researchers contributors editors and readers with a wide variety of religious and cultural backgrounds All those involved gave their time and expertise freely to the project Since the Society does not seek any profit and the cost of printing in India is low the Treasury can be sold at a very low price This helps the Society stay true to its premise that spirituality is the birthright of all that no profit should be extracted from its dissemination and most important that knowledge of these truths should not be withheld from anyone for economic reasons Provided by publisher
