,      *Guide to the Buddhist Ruins of Sarnath* ,1923      *Collage* Subhankar Banerjee,2016-07-07 Starting days back to pre independence and covering a millennia in one side Collage portrays those unfortunate and truly evil societal barriers as well as the determined enlightened and young generation of breakers of those barriers It narrates the war ground called Society where the knowledge and morality confronts prejudices and burden of viciousness It depicts those agonies and sacrifices the young generation has to bear when it thrusts to break through the mighty and apparently invincible chains of centuries old chauvinisms In the other side Collage is all about those treasured episodes that depicts how a child born in a lavish family becomes almost an orphan How humiliations from those relations he believed interminable turns him taller stronger and determined to overcome all odds How life teaches him to feel the anguishes of the underprivileged and encourage a feeble boy to become a sturdy man who dares to stand and face the mighty and egotistical lot in the society It narrates how dignity determination and sense of duty makes a man complete But the question remains Does that end there      **Beyond the Code**

Heidi Furey,Scott Hill,Sujata K. Bhatia,2021-07-27 For over 80 years the National Society of Professional Engineers NSPE has been a leader in the promotion of ethical practice within the field of engineering One of the Society s greatest contributions is the formation and adoption of the NSPE Code of Ethics But the code with its six Fundamental Canons is only truly instructive if engineers can bridge the gap between principles and action Here there is no substitute for personal reflection on the ethical and philosophical issues that underlie the code If done well such reflection provides an indispensable basis for moral problem solving Beyond the Code A Philosophical Guide to Engineering Ethics is designed to complement the NSPE Code of Ethics by helping readers go beyond in their understanding of the philosophical issues bound up in the code Each chapter addresses one of the Fundamental Canons of the NSPE code and provides a philosophical analysis of the

Kahaan Kahaan Paiband Lagau — An English Translation ANAND KUMAR ASHODHIYA,2025-12-11 Kahaan Kahaan Paiband Lagau originally written by acclaimed Hindi novelist Saroj Dahiya is a piercing deeply human portrait of a woman s endurance within the fragile fraying fabric of domestic life Through its unadorned realism and quiet emotional force the novel captures the lived truth of countless women whose struggles remain hidden behind the closed doors of their homes At its centre stands Sujata a young woman who enters marriage with hope only to find herself entangled in betrayal humiliation and the suffocating politics of a patriarchal household As she navigates her husband s emotional neglect the cruelty of her in laws and the isolating burden of silence Sujata learns to stitch together her inner world piece by piece even when life repeatedly tears it apart Her journey reflects not only the pain of a woman abandoned within her marital home but also the anguish of a daughter returning unwanted to the house of her birth The novel explores this double bind with rare sensitivity exposing the emotional labour and invisible wounds borne by women on both ends of the familial spectrum This English translation by Anand Kumar Ashodhiya brings the original s cultural richness regional idiom and psychological nuance into a clear and accessible global voice With deep respect for Dahiya s narrative rhythm and emotional integrity Ashodhiya preserves the earthy cadences of rural Haryana while offering readers worldwide an intimate encounter with a world seldom represented in mainstream literature The novel s strength lies not in grand rebellion but in the quiet persistent truth of endurance Through Sujata s twelve year struggle made bearable only by her child her work and her fragile hope the story becomes a universal reflection on dignity resilience and the quiet courage required to survive within structures that refuse to see a woman s worth Kahaan Kahaan Paiband Lagau is more than a translation it is a cultural bridge an academic resource and a moving testament to the millions of women who continue to mend the torn edges of their lives with patience grit and unspoken strength This edition invites readers scholars and lovers of world literature to witness a story that is deeply local in its textures yet profoundly universal in
