Summer Writing Packets:

More Than Letters, Standards Edition Sally Moomaw, 2020-08-25 For decades early childhood educators in high quality programs have understood that the transition into reading and writing occurs naturally when young children are surrounded by opportunities to interact with print in ways that are meaningful to them The original edition of More Than Letters first published in 2001 showed teachers how to intentionally help children develop literacy skills through hands on play based activities Like the original edition the Standards Edition is based on theory and research It contains new chapters that specifically focus on developing the skills needed to decode literature and informational text Expanded chapters include activities that target specific concepts included in national literacy standards

Closing the Literacy Gap Thomas G. Gunning, 2022-07-12 Packed with practical tools this book provides educators with a research based framework for accelerating the reading and writing growth of underperforming students Strategies and resources are included for building foundational skills comprehension and vocabulary engaging students with independent reading and periodicals developing writing and implementing tutoring and other extra supports The book gives special attention to helping those most affected by the literacy gap It describes dozens of high quality intervention programs assessments activities and materials many of which can be accessed for free at the companion website and includes reproducible downloadable forms
