

Dear Parents,

Your child has worked very hard this year in speech therapy! You should be very proud of their efforts.

In order to maintain the progress your child has made this year, it is important to continue practicing your child's smooth speech over the summer months. In this packet, you will find 8 weeks of fluency practice with a specific activity for your child each day. Each activity should only take 10 minutes. Please check the line next to each day to show that your child completed that task.

Have a wonderful summer! Thank you!
