**Summary of The Summer I Turned Pretty Trilogy** Alexander Cooper, 2023-01-02 The *Summer I Turned Pretty* Trilogy: A Comprehensive Summary. 1. Isabel Conklin: Belly, the series narrator and main character. She is Stephen's younger sister and the daughter of Laurel. She is believed to have had feelings for her buddy, Conrad, since they were children, but their romance ends at the conclusion of *It's Not Summer Without You*, after they briefly became a couple. After he kisses her and expresses his affections to her, she begins a relationship with his brother, Jeremiah. In the book *We'll Always Have Summer*, which details their two-year romance, Belly learns that Jeremiah had an extramarital affair with a sorority girl during a frat party. She gives him a smack in the face and then sobs in bed for days. She reluctantly accepts Jeremiah's proposal to show his remorse, but she remains at Cousins Beach due to constant arguments with her mother, who is upset with her for deciding to be married so young. This arrangement causes her previous affections for Conrad, who is also residing there, to gradually reemerge. At the book's conclusion, Conrad declares his love for her. Belly erupts at his confession and claims that he was too late, making her feelings

for both brothers appear conflicted In the end she and Jeremiah decide their relationship is not right for one another and cancel their engagement Conrad writes Belly handwritten letters each and every month for the remainder of her college years after she hasn't heard from him for two years in the epilogue She eventually starts to keep in touch with him At her college graduation Conrad comes up which leads to their reconciliation A little more than a year later he asks Belly to marry him To be continued Here is a Preview of What You Will Get A Detailed Introduction A Comprehensive Chapter by Chapter Summary Etc Get a copy of this summary and learn about the book **It's Not Summer Without You** Jenny
