

## **Stage 6: Decisive Tokyo Battle (last half)**

After the battle between Mecha-King Ghidorah and Godzilla caused great damage in Tokyo, the enemy has sent in their most powerful, worst monster, Bagan. Does humanity and Godzilla have a chance of winning? The ultimate battle is about to start.

**Monster:** Bagan

**Birthplace:** Super-ancient China

**Length:** 150 meters

**Weight:** 280,000 tons

**Features:** This original super monster is making his first appearance in this game. The monster Bagan, born in a super-ancient China shrouded in legend and myth, rules over land, sea, and air. The aliens fused Godzilla cells and King Ghidorah cells with Bagan to create the strongest, most evil and ferocious monster. He has unimaginable destructive power. The Godzilla and King Ghidorah cells fused with him enable him to use the weapons of monsters past, such as fire breath attack and laser light from his horns and make those weapons even more powerful. The thick Bagan cells are even more indestructible than metal and his super-weight makes his body so sturdy that he does not even notice Godzilla's attacks.
