The Greatest Movies Ever Gail Kinn, Jim Piazza, 2008 The arts      A Conservative Christian Reviews the Greatest Movies Ever Made George McManus, 2003-07      *Hindi Film Songs and the Cinema* Anna Morcom, 2017-07-05 Since their beginnings in the 1930s Hindi films and film songs have dominated Indian public culture in India and have also made their presence felt strongly in many global contexts Hindi film songs have been described on the one hand as highly standardized and on the other as highly eclectic Anna Morcom addresses many of the paradoxes eccentricities and myths of not just Hindi film songs but also of Hindi cinema by analysing film songs in cinematic context While the presence of songs in Hindi films is commonly dismissed as purely commercial this book demonstrates that in terms of the production process musical style and commercial life it is most powerfully the parent film that shapes and defines the film songs and their success rather than the other way round While they constitute India's still foremost genre of popular music film songs are also situational dramatic sequences inherently multi media in style and conception This book is uniquely grounded in detailed musical and visual analysis of Hindi film songs song sequences and films as well as a wealth of ethnographic material from the Hindi film and music industries Its findings lead to highly novel ways of viewing Hindi film songs their key role in Hindi cinema and how this affects their wider life in India and across the globe It will be indispensable to scholars seeking to understand both Hindi film songs and Hindi cinema It also forms a major contribution to popular music popular culture film music studies and ethnomusicology tackling pertinent issues of cultural production multi media and the cross cultural use of music in Hindi cinema The book caters for both music specialists as well as a wider audience      **Son of the 100 Best Movies You've Never Seen** Richard Crouse, 2008 Fans of offbeat cinema discriminating renters collectors and movie buffs will drool over this checklist of the best underappreciated and overlooked films of the last 100 years In this follow up to Crouse's original countdown titles range from the obscure like 1912's *The Cameraman's Revenge* to little seen classics like *The Killing* Each essay features a detailed description of the plot notable trivia tidbits critical reviews and interviews with actors and filmmakers A movie buff's bible and fan heaven all rolled into one great volume      *The 100 Greatest Movies of All Time* Ty Burr, Peter Bonventre, 1999 Lists the 100 greatest movies ever made as chosen by the staff of Entertainment Weekly magazine      The Best Moving Pictures of ...
