books of 2021 George Packer's account of America's decline into destructive tribalism is always illuminating and often dazzling. William Galston, The Washington Post Acclaimed National Book Award winning author George Packer diagnoses America's descent into a failed state and envisions a path toward overcoming our injustices, paralyses and divides. In the year 2020 Americans suffered one rude blow after another to their health, livelihoods and collective self esteem. A ruthless pandemic, an inept and malign government response, polarizing protests and an election marred by conspiracy theories left many citizens in despair about their country and its democratic experiment. With pitiless precision the year exposed the nation's underlying conditions, discredited elites, weakened institutions, blatant inequalities and how difficult they are to remedy. In *Last Best Hope* George Packer traces the shocks back to their sources. He explores the four narratives that now dominate American life: Free America, which imagines a nation of separate individuals and serves the interests of corporations and the wealthy; Smart America, the world view of Silicon Valley and the professional elite; Real America, the white Christian nationalism of the heartland; and Just America, which sees citizens as members of identity groups that inflict or suffer oppression. In lively and biting prose Packer shows that none of these narratives can sustain a democracy. To point a more hopeful way forward he looks for a common American identity and finds it in the passion for equality, the hidden code that Americans of diverse persuasions have held for centuries. Today we are challenged again to fight for equality and renew what Alexis de Tocqueville called the art of self government. In its strong voice and trenchant analysis *Last Best Hope* is an essential contribution to the literature of national renewal.

[Brand Management](#) Michael Beverland, Pinar Cankurtaran, 2024-03-23

This popular textbook introduces students to contemporary brand management and innovation with a focus on how companies and consumers are interacting and co-creating brands today. The latest edition continues to provide equal focus on theory and practice with all new case studies and examples from brands around the globe to help show the wide range and diversity of brands and consumers today. These include Glossier, Lovehoney, Whisper, Shinola, Detroit, Trung Nguyen, Shatta Wale, Tony's Chocolonely. Also included are updated research references and online resources as well as a brand new chapter on the creative aspects of branding from naming to logos and experiences.

This textbook is essential reading for all students studying branding and brand management at university level. Michael Beverland is Professor of Brand Marketing at University of Sussex Business School. Pinar Cankurtaran is Assistant Professor of Brand Strategy at the Faculty of Industrial Design Engineering, Delft University of Technology.

[Start Thinking Rich](#) Brad Klontz, Adrian Brambila, 2024-10-23

Incisive guide to transform your relationship towards money and finally start building real wealth. *Start Thinking Rich* 21 Harsh Truths to Take You from Broke to Financial Freedom delivers an inspirational, tough love and step by step guide for readers to finally start building their own legacy of wealth no matter where they're starting from. Filled with proven money making saving and investment strategies this book helps readers take an honest look at their spending habits, unconscious biases about money and self-sabotaging money behaviors in order to start living their best lives. Heavyweight

institutional finance executive Dr Brad Klontz and self made millionaire Adrian Brambila combine their expertise grit and firsthand knowledge to provide unparalleled and eye opening perspective on topics including Your ideal path to success as either an employee entrepreneur or grinder Trauma based psychology that leads to a counterproductive broke mindset The value of education in sidestepping common financial pitfalls Steps to increase and diversify income save what you make and grow your money in your sleep Start Thinking Rich 21 Harsh Truths to Take You from Broke to Financial Freedom earns a well deserved spot on the bookshelves of all ambitious individuals who are sick of tepid uncontroversial and ultimately ineffective financial advice and want to cut through the noise to discover highly effective wealth building moves that are proven to work

Introduction to Public Relations Janis Teruggi Page, Lawrence J. Parnell, 2024-12-05 *Introduction to Public Relations Strategic Digital and Socially Responsible Communication* presents a comprehensive introduction to the field of public relations examining its current practices and future directions In response to the dynamic shifts in technology business and culture authors Janis T Page and Lawrence J Parnell illustrate how today's PR professionals craft persuasive messages using modern technologies while working in line with the industry's foundations The text skillfully balances this approach by delving into communication theory history processes and practices demonstrating how these elements can be integrated into strategic public relations planning Page and Parnell guide students toward becoming socially responsible communicators where fostering trust and respect with diverse communities is valued over creating the next viral campaign The Third Edition responds to the rising focus on social responsibility sustainability CEO and investor activism and consumer demand for ethical brands and addresses these changes with updated content including new features recent examples case studies and chapter opening scenarios
