## Cats and Dogs

Directions: Read about cats and dogs. Then, complete the Venn diagram, telling how they are the same and different.

Cats and dogs are popular pets. Both cats and dogs have fur, and they need food and water every day. Cats are usually quiet and like to climb, while dogs often bark and enjoy running outside. Cats clean themselves by licking their fur, but dogs need people to give them baths. Dogs love being with people all the time, while cats can be left alone for longer periods.

Books are stories and facts written to tell you things and teach ideas for entertainment. Books are made of pages with words, which are read in stories, novels, and pictures on a screen. In books, you need to learn about the story, and with movies, you watch the story about the on screen. You can see things and learn about the world while movies have a screen and sometimes sound to hear.
