Audio App Daily Devotion Mearl La Gene Martin III,2015-10-09 Audio App Daily Devotional is the complete Bible We have removed the verse numbers from the text itself which gives an almost poetic feel to the Scriptures as you read while maintaining the chapter and verse references ahead of each day s portion of Scripture This enables you to reference and study the Scriptures in a more in depth manner Inside you will find an average of twenty three New Testament verses seven Psalms verses three Proverbs verses and fifty five Old Testament verses per day While I never recommend rushing through your time with our Lord I felt it important to make each day s readings and portions as equal as possible allowing you to set times throughout the day for reading in order to regroup or refocus on your task at hand Look for and expect to hear from our Lord Look for God to move in your life more and more as you draw closer to Him daily
