Hindrances to Prayer John R. Rice,2000-08      Africa Bible Commentary, Second Edition Zondervan,2025-10-28 The first edition of Africa Bible Commentary was a ground breaking publishing event the first one volume Bible commentary produced in Africa by African theologians to meet the needs of African pastors students and lay leaders Interpreting and applying the Bible in the light of African cultures and realities today Now this revised and updated second edition almost twenty years after the release of the first continues to bring powerful and relevant insights into the biblical text Bringing together over 100 gifted scholars from across the continent and interacting with recent scholarship and issues that face African Christians today this new edition raises the benchmark set by its predecessor all those years ago Ideal for students of the Bible and preachers both in Africa and around the world this updated edition has over 40% new and extensively revised commentaries across the Old and New Testament Deepening the contextual relevance of the commentary this second edition boasts seventy five new articles resulting in 122 articles that provide insight into the most pertinent issues facing the church in Africa today Key features Produced by African biblical scholars in Africa for Africa and for the world Section by section interpretive commentary and application More than 70 special articles dealing with topics of key importance for ministry in Africa today but that have global implications 70 African contributors from both English and French speaking countries Transcends the African context with insights into the biblical text and the Christian faith for readers worldwide      **The Epworth Herald** ,1908      The Christian Advocate ,1903      **Sunday School Times** ,1882      *Not Beyond Struggles* Lizzy Iweala,2010-10-27

Sister Lizzy Iweala presents a wonderful and timely book titled *Pastors Also Cry* She candidly spells out some of the personal battles fears and struggles that pastors must overcome on a regular basis Some Pastors are sometimes either in denial of or lack the wherewithal for dealing with various struggles She shows many challenges that can avert a person from his or her divinely ordained destiny to serve the Lord The writer draws attention to how the lack of balance between ministry work and family easily opens a window for the enemy to attack and derail the God given mandate of ministry This book is not a voyeuristic trip into the trials of pastors but rather a means to humanize the men and women of the cloth      *The Burning Bush* ,1924      **Michigan Christian Advocate** ,1895      **Messenger and Visitor** ,1915      Christian Advocate and Journal and Zion's Herald ,1903      *The Sunday school chronicle [afterw.] New chronicle of Christian education* National Sunday school union,1878      New-Church Messenger ,1921      **North-western Christian Advocate** ,1902
