Why should you try Aikido What s the purpose of traditional martial arts today At my age should I be getting into martial arts What should my kids expect from a dojo Reuven Lirov a veteran of martial arts of over 29 years gives an overview of his take on what Aikido means today how it impacts hundreds of thousands of lives around the world and what you should look for in a dojo at any age The goal of this book is to help the wider public gain an understanding of Aikido s basic message of traditional martial arts training as a way to bring peace on Earth Reuven s unique history in Judo Muay Thai Hwa Rang Do Escrima JKD and other arts is brought to bear as a way to help anyone regardless of age choose a dojo that will serve them throughout their lives Martial arts is a journey meant for our entire lives but often in America we lose sight of that because of endless competitions and fear of injury Through these pages Reuven hopes you will glean the endless benefits of a consistent traditional martial arts practice especially those benefits that extend beyond the mat and into our work friendships and families Together let s make the world a better place one throw at a time Osu

[An Open Secret](#) Tony Blomert,2014

The martial arts are shrouded in the mystique of Asian lore and nuances Information is well known by experienced practitioners but is often kept as an open secret among themselves Aikido is a self defense martial art budo methodology established in Japan by Morihei Ueshiba O Sensei 1883 1969 who blended his techniques and weapons experience with deeply held philosophical beliefs into what is often referred to as the art of peace Aikido has a rich history originating to feudal period Japan which continues today with an international fellowship of people who strive to make the world a better place by following the Aiki way and embracing the legacy of the dojo culture as a training hall and sanctuary for enlightenment The world is in greater need than ever before to embrace the philosophy and approach of Aikido s founder O Sensei The Aikido culture helps shape today s youth transitions adolescents to become contributing members of society and helps adults continue spiritual and physical self improvement It distinguishes itself by shunning the competitive violence spawned by the pseudo sports popularized in televised cage fighting street style brawling and computer videogames although Aikido is highly recognized as a headline program at the World Combat Games An Open Secret solves the mystery of Aikido training by revealing factual truths historical reasoning and detailed explanations required of all Aikido students It also takes an in depth look at the common and unique practices all Aikidoka practitioners of Aikido the background of Aikido s rich history as budo self defense martial art a current assessment of the art s international status and an overview of various sub styles in the

21st century A true budo Aikido is an extremely effective form of self defense that equalizes size strength age and gender Therefore An Open Secret provides a proven learning methodology for Aikido that can be used by people of all ages children and seniors alike and can become a permanent lifestyle for its practitioners with improved physical and spiritual health Aikido must be felt and experienced in order to understand the power behind this martial art form Physical training awakens the Aiki spirit within the student who develops physical skills as a way to understand the mystery behind the techniques Its students can embrace spiritual enlightenment by drawing on this knowledge time and time again Tony shares his experience and wisdom by giving the reader a practical guide and supporting photos and illustrations to most training situations a resource he wished he had at his fingertips when starting out decades ago The reader is taken under his wing much like a season co worker would help a newbie learn the ropes at work He provides unbiased information on common etiquette student responsibilities dojo design proper training apparel the relationship between student and teacher and between students training tools and weapons rank examination the Aiki spirit and fundamental training concepts essential to learning Aikido and ultimately the Aiki way Other topics include step by step pointers on selection and care of the uniform the Aikido gi and hakama equipment Aikido weapons jo and bokken and the training facility Aikido dojo Grading and promotion examination details are covered for both beginning and advanced students as well as student s progressive responsibilities as they advance in rank and experience
