**You Are the Universe** Deepak Chopra, M.D., Menas C. Kafatos, Ph.D., 2018-09-04 NEW YORK TIMES BESTSELLER Deepak Chopra joins forces with leading physicist Menas Kafatos to explore some of the most important and baffling questions about our place in the world A riveting and absolutely fascinating adventure that will blow your mind wide open Dr Rudolph E Tanzi What happens when modern science reaches a crucial turning point that challenges everything we know about reality In this brilliant timely and practical work Chopra and Kafatos tell us that we've reached just such a point In the coming era the universe will be completely redefined as a human universe radically unlike the cold empty void where human life is barely a speck in the cosmos You Are the Universe literally means what it says each of us is a co creator of reality extending to the vastest reaches of time and space This seemingly impossible proposition follows from the current state of science where outside the public eye some key mysteries cannot be solved even though they are the very issues that define reality itself What Came Before the Big Bang Why Does the Universe Fit Together So Perfectly Where Did Time Come From What Is the Universe Made Of Is the Quantum World Linked to Everyday Life Do We Live in a Conscious Universe How Did Life First Begin The shift into a new paradigm is happening the authors write The answers offered in this book are not our invention or eccentric flights of fancy All of us live in a participatory universe Once you decide that you want to participate fully with mind body and soul the paradigm shift becomes personal The reality you inhabit will be yours either to embrace or to change What these two great minds offer is a bold new understanding of who we are and how we can

transform the world for the better while reaching our greatest potential      **The Healing Self** Deepak Chopra, M.D., Rudolph E. Tanzi, Ph.D., 2020-06-16 The New York Times bestselling authors of Super Brain and Super Genes present a groundbreaking landmark work on the supreme importance of protecting our immunity to ensure lifelong health The Healing Self is a quantum leap forward in the integration of science medicine wisdom and health Arianna Huffington In the face of environmental toxins potential epidemics superbugs and the accelerated aging process the significance of achieving optimum health has never been more crucial and the burden to achieve it now rests on individuals making the right lifestyle choices every day That means you You not doctors not pharmaceutical companies are ultimately responsible for your own health Deepak Chopra and Rudolph E Tanzi want to help readers make the best decisions possible when it comes to creating a holistic and transformative health plan for longevity The Healing Self closely examines how we can best manage chronic stress and inflammation which are emerging as the primary detriments to well being It also offers a cutting edge seven day action plan which outlines the key tools everyone needs to develop their own effective and personalized path to self healing The Healing Self then is a call to action a proven strategic program that will arm readers with the information they need to protect themselves and achieve lifelong wellness There is a new revolution unfolding in health today That revolution is you
