**The Business of Sports** Scott Rosner,Kenneth Shropshire,2011-01-07 The Business of Sports Second Edition is a comprehensive collection of readings that focus on the multibillion dollar sports industry and the dilemmas faced by today's sports business leaders. It covers professional Olympic and collegiate sports and highlights the major issues that impact each of these broad areas. The Second Edition provides insight from a variety of stakeholders in the industry and covers the major business disciplines of management, marketing, finance, information technology, accounting, ethics, and law. Each chapter features concise introductions, a broad range of focused readings, and targeted discussion questions and graphs and tables to convey relevant financial data and other statistics.

## **Understanding Business & Legal Aspects of the Sports Industry**

,2000 **Convenience Store News** ,1998-07 *International Sports Law and Business* Aaron N. Wise,Bruce S.

Meyer,1997-05-23 This comprehensive three volume set focuses on the legal and business aspects of sports in the United States and abroad. The authors have presented the subject matter from a practical and pragmatic perspective yet with analytical precision and attention to fine points of detail. This book is composed of five parts. Part I deals with the law and business of sports in the United States with the primary emphasis on the legal aspects of professional sports. Part II deals with the internationalization of sports from various perspectives principally North American team sports. Part III explores the law and business of sports in 18 non U.S. jurisdictions subject matter hardly covered in other sources if at all. Part IV treats the legal and to some extent business aspects of broadcasting and sports both in the United States and in selected foreign jurisdictions. Part V focuses upon sports marketing in its various forms in the United States as well as its international perspectives. This easy to read work is unmatched in that it covers subjects not addressed or only tangentially addressed in other works. It presents insiders perspectives on the subject matter and focuses extensively on international aspects of sports law and business in connection with many different subjects. Among its exhibits *International Sports Law and Business* includes a World League of American Football Standard Player Contract form a sample World League of American Football Acquisition and Operation Agreement Statute of Court of Arbitration for Sport and Regulations. It also includes a comprehensive index.

**Sports Business Management** George Foster,Norm O'Reilly, Antonio Dávila,2016-01-08 Sports Business Management will equip students with a comprehensive understanding of the sport industry. With a focus on management, strategy, marketing, and finance, the decision making approach of the book emphasizes key concepts while translating them into practice. Foster, O'Reilly, and Dávila present a set of modular chapters supported with plenty of examples, mini cases, and exercises to help students apply the decision making approach to real world situations. Covering an international array of sports and organizations including the Olympic Games, FIFA World Cup, US Major League Baseball, and more, the book also covers unique topics such as diversity in sport, the impact of technology and social media. Rounding this out, the book provides around 50 Harvard Stanford cases along with case notes for instructors. This is an ideal textbook for

upper level undergraduate and graduate students of sports business and management fully supported by a companion website featuring PowerPoint slides test questions teaching notes and other tools for instructors **Business Week**, 1970
