Rapid Rails with Hobo Jeff Lapides, Owen Dall, Tom

Locke, **Type on Screen** Ellen Lupton, Maryland Institute College of Art, 2014-08-12 The long awaited follow up to our all time bestseller Thinking with Type is here. Type on Screen is the definitive guide to using classic typographic concepts of form and structure to make dynamic compositions for screen based applications. Covering a broad range of technologies from electronic publications and websites to videos and mobile devices this hands on primer presents the latest information available to help designers make critical creative decisions including how to choose typefaces for the screen, how to style beautiful functional text and navigation, how to apply principles of animation to text and how to generate new forms and experiences with code based operations. Type on Screen is an essential design tool for anyone seeking clear and focused guidance about typography for the digital age.

[Android Wireless Application Development](#) Lauren Darcey, Shane Conder, 2012 Since Android's earliest releases Android Wireless Application Development has earned a reputation as the most useful real world guide for everyone who wants to build robust commercial grade Android apps. Now authors Lauren Darcey and Shane Conder have systematically revised and updated this guide for the brand new version 4 of the Android SDK. To accommodate extensive new coverage they've also split the book into two volumes. Volume I covers all the essentials of modern Android development offering expert insights for the entire app development lifecycle from concept to market. Darcey and Conder go beyond Android's core features covering many of the SDK's most interesting and powerful features from LiveFolders to wallpaper customization.
