

A vibrant, stylized illustration of a factory conveyor belt. On the left, a blue robotic arm with a gripper is positioned above a blue conveyor belt. On the belt, there are several cylindrical blue and orange components. In the background, there's a blue wall with a large bar chart showing an upward trend, surrounded by white gears. To the right, a blue delivery truck is shown in the middle of a road, with a smaller orange delivery truck following it. The overall theme is the integration of manufacturing and delivery through automation.
