THE SOCIETY - LIFE THEN & NOW Ajay Kumar

Srivastava,2021-08-19 This book is the baby I have nurtured with love and pain in last 35 years My inspiration comes from reading Ramayan repeatedly which represents a glorious balanced society The book provides a glimpse of my life and feelings about the present day society The story will take you through the life of two main characters Suraj life then Vineet life now All along I have endeavoured to compare two generations 50 years or so apart in a realistic fiction form I wish I could have written about 50 years before this also As for pre climax I have described a meeting and discussion between Suraj and Vineet where Suraj gives his views on the two societies miles apart making Vineet curious captivated and impressed to the extent that he arranges a lecture for Suraj at an international platform in New York which is also ultimately where the climax of the book occurs
