for the quiet werewolf although Theo has grown even more withdrawn in Zeki's absence. When town gossip informs Zeki that Theo is suffering from a mate's rejection, Zeki is outraged on Theo's behalf but also wonders if this means he might finally be able to at least get Theo to consider him. For that Zeki would stay in Wolf's Paw no matter what it cost him. Werewolves usually don't recover from losing their mates and Theo barely pulled through. Now he doesn't know what to think when this new braver Zeki attempts to woo him. It's almost as if Zeki doesn't have a clue that he is the one who broke Theo's heart. But they are grown up now and the magic the town fears might have drawn them back together for an unprecedented second chance. If anyone can figure out how to woo their mate after messing it up the first time it might be a clever human wizard and werewolf with hidden talents. Being's in Love. Magical creatures known as beings emerged from hiding amid the destruction of the First World War. Since then they've lived on the margins of the human world as misunderstood objects of fear and desire. Some are beautiful, others fearsome and powerful. Yet for all their magic and strength they are as vulnerable as anyone when it comes to matters of the heart.
