**Izhima** Tamsin Ley, 2022-12-19 How do you pretend to be mates with someone you don't even like Bethany My cooking show's ratings are the pits and my producers are threatening to take it off the air When my sister wins tickets to an alien space cruise I think I've found the solution the world is in love with aliens right now so why not use alien chefs as guests Except when I set up my first interview the frustratingly handsome alien chef can't even get my birthday cake right Izhima I'm not a people person I'm a food person And I just want to be left alone to cook But when a human female barges into my kitchen and tries to sabotage my latest recipe she ends up ejecting us both out of the airlock Now I have to risk my own life to get the unconscious woman to safety But when the human wakes up with amnesia and the dirtbag crew of a salvage ship starts eyeing her in unsavory ways I have to convince everyone including the female herself that she's my mate And the once abrasive female is becoming more tempting by the minute This forced proximity enemies to lovers romance is full of touch her and you die moments with a grumpy alien chef who saves a human female with amnesia Survive thrilling adventures on a hostile space ship laugh over cute and funny comedy moments and fall in love with a unique paranormal fantasy shapeshifter who will be a warrior for his fated mate Izhima was an abridged story in the Claimed Among the Stars charity anthology in July 2022 This is the full version with almost double the content including the hero's point of view an epilogue for the couple and a series wrap up on board the Romantasy Enjoy
