Flames after Midnight Monte Akers,2011-05-25 The well written and compelling history of a 1922 racist reign of terror in a small Texas town now updated with a shocking deathbed confession USA Today What happened in Kirven Texas in May

1922 has been forgotten by the outside world But in Flames After Midnight historian Monte Akers uncovers the true story behind a young white woman's brutal murder and the burning alive of three black men who were almost certainly innocent of it This was followed by a month long reign of terror as white men killed blacks while local authorities concealed the identity of the white murder suspects and allowed them to go free Akers paints a vivid portrait of a community desolated by race hatred and its own refusal to face hard truths He sets this tragedy within the story of a region prospering from an oil boom but plagued by lawlessness and traces the lynching's repercussions down the decades to the present day In an epilogue Akers reveals new information that came to light as a result of this book's publication including an eyewitness account of the burnings from an elderly man who claimed to have castrated two of the men before they were lynched
