Boundaries in Children's and Young Adult Literature and Culture Amie A. Doughty,2018-10-30 This collection of essays explores a wealth of topics in children s and young adult YA literature and culture The contributions include an examination of the Watchbird cartoons by Munro Leaf and their attempts to teach morals and manners an ethnographic study about the role of public youth librarians and an exploration of the role popular video games can play in the secondary classroom Other topics investigated here encompass the presentation of environmentalism in Hayao Miyazaki s films psychological analyses and the role of race gender and culture in children s and YA literature

Ethics in Comedy Steven A. Benko,2020-10-02 All humans laugh However there is little agreement about what is appropriate to laugh at While laughter can unite people by showing how they share values and perspectives it also has the power to separate and divide Humor that crosses the line can make people feel excluded and humiliated This collection of new essays addresses possible ways that moral and ethical lines can be drawn around humor and laughter What would a Kantian approach to humor look like Do games create a safe space for profanity and offense Contributors to this volume work to establish and explain guidelines for thinking about the moral questions that arise when humor and laughter intersect with medicine gender race and politics Drawing from the work of stand up comedians television shows and ethicists this volume asserts that we are never just joking
