Love Letters to You William Thompson, 2017-03-08 Hello everyone My name is William O Thompson Jr I was born the sixth child of eleven I have three wonderful brothers and seven beautiful sisters I was born in Harrisburg Pennsylvania on March 3 1967 I moved to Columbia South Carolina in 2003 and I been here ever since I am the proud father of eight children I have five beautiful daughters and three very handsome sons I have two failed marriages and I have seen a lot of pain in my years so through all my pain I gave birth to this book It is dedicated to the woman I have been looking for all my life I am in love with you but I don't know who you are but I do know we share the same heart If you happen to find me through this book then you will find us and some of the poems are for all those who are going through a rough time in their life and relationships those who really want to be loved and give their love to that special someone But people like us must beware that we are light and those who lurk in the shadows of darkness seek to destroy our hearts and everything that's good I have been in two bad relationships and have seen the darkest side of life That was so devastating to me but I never let it destroy the man I am Instead I just put words to my pain and yours and all the things I see in this world So I am a voice expressing for you and me My heart is still full of love and I am waiting patiently for the one I can give my all to So I hope this book of love letters to you finds you and you find us

In The Name of Love Aaron Ben-Ze'ev, Ruhama Goussinsky, 2008-02-21 We yearn to experience the idealized love depicted in so many novels movies poems and popular songs Ironically it is the idealization of love that arms it with its destructive power Popular media consistently remind us that love is all we need but statistics concerning the rate of depression and suicides after divorce or romantic break up remind us what might happen if all that we need is taken away This book is about our ideals of love our experiences of love the actual disparity between the two and the manners of coping with this disparity A major study case of the book concerns men who have murdered their wives or partners allegedly out of love It is estimated that over 30% of all female murder victims in the United States die at the hands of a former or present spouse or boyfriend How can murdering a loved one be associated with the assumed moral and altruistic love Not only is love intrinsically ambivalent but it can also give rise to dangerous consequences Some of the worst evils have been committed in the name of love as in the name of God A unique collaboration between a leading philosopher in the field of emotions and a social scientist *In the Name of Love* presents fascinating insights into romantic love and its future in modern society

Love-knots and bridal-bands: poems, selected and arranged by F. Langbridge Love-knots, 1883 **Returning to Love** Sharon Edwards, 2014-12-18 Hurry honey I see the light I have to go Come kiss me bye Bye baby I love you These are the last words my husband said to me when he transitioned It had been a long and tortuous path to enlightenment He got to see into heaven three weeks before he transitioned He could not believe the love We both learned life lessons and grew spiritually It

had been a long journey for Richard and me but we both learned lessons of strength love forgiveness and most importantly the enlightenment needed to release the fear of death This is a journal of our love and living with Richards Alzheimers and Parkinsons prostate cancer and congestive heart failure I have fibromyalgia and chronic fatigue syndrome and I am relating the coping mechanisms I used to deal with Richards transition and the transition of my mom nine months before Richard The journey taken by those who are caregivers is a lonely one at times Coming to an acceptance is as hard for the caregiver and family and friends as it is for the one you love accepting the fact that no matter how positive your thoughts the healing for your loved one may be a healing of his or her soul and not of the body Then you and your loved one can walk his or her path together Your support can make your loved ones transition peaceful and loving As you help loved ones to lose their fear of dying you will learn of the beauty and love awaiting them in heaven This will aid in your healing when your loved ones transition to heaven There will be sadness and tears will flow because they are gone and not physically with you anymore You can find strength and peace in knowing that the care you gave allowed your loved ones to die with dignity surrounded by love and support and without fear
