Justine Blanford, 2024-08-20 Geographic information spatial analysis and geospatial technologies play an important role in understanding changes in planetary health and in defining the drivers contributing to different health outcomes both locally and globally Patterns influencing health outcomes and disease in the environment are complex and require an understanding of the ecology of the disease and how these interact in space and time Knowing where and when diseases are prevalent who is affected and what may be driving these outcomes is important for determining how to respond In reality we all would like to be healthy and live in healthy places In this book epidemiology and public health are integrated with spatial data science to examine health issues in dynamically changing environments This is too broad a field to be completely covered in one book and so it has been necessary to be selective with the topics

methods and examples used to avoid overwhelming introductory readers while at the same time providing sufficient depth for geospatial experts interested in health and for health professionals interested in integrating geospatial elements for health analysis A variety of geographic information some novel some volunteered some authoritative some big and messy is used with a mix of methods consisting of spatial analysis data science and spatial statistics to better understand health risks and disease outcomes Key Features Makes spatial data science accessible to health Integrates epidemiology and disease ecology with spatial data science Integrates theoretical geographic information science concepts Provides practical and applied approaches for examining and exploring health and disease risks Provides spatial data science skill development ranging from map making to spatial modelling

Beyond Infidelity Lauren LaRusso, LPC, LMHC, 2026-01-06 The first book that helps people transform the experience of infidelity into a catalyst for unparalleled personal growth from the popular online therapist who has helped thousands do the same Cheating is a topic therapist Lauren LaRusso knows all too well as both a professional who helps clients grappling with the realization of a partner s affair AND as a wife whose own marriage ended due to infidelity Desperate for answers LaRusso set to work learning every last thing she could about rebuilding her life and helping others do the same Shocked by cheating s prevalence she wondered if millions of people are having affairs why aren t we openly speaking about it Why is the topic still so taboo And most importantly why isn t anyone talking honestly about how the partners left behind can rebuild their lives and reclaim themselves in the wake of it Most books on infidelity either focus on reconciliation OR they normalize cheating as a mere warning sign in a relationship But the truth is infidelity is cited as a reason for 60 percent of all divorces And while that is a scary statistic LaRusso is here to assure you that you can still find hope and even happiness on the other side of infidelity In fact great beauty and personal transformation awaits if you know how to find it In *Beyond Infidelity* LaRusso writes the book she wishes had existed when she was suffering in silence With an interactive seven step guide taking readers from understanding what you re going through to stabilizing yourself and curating your world to breaking free and becoming whole *Beyond Infidelity* meets readers where they are in their moment of crisis With writing that is strikingly intimate compassionate and free of judgment LaRusso s work flips the script on infidelity Being cheated on she explains is

not your fault Even if your marriage ends this moment can actually be an opportunity for lasting self growth and healing Really This LaRusso argues is the true gift of infidelity moving beyond betrayal and rising from the ashes of your relationship stronger than ever The Student's Journal ,1904 **Whisper Island** Carissa Ann Lynch,2021-02-05 Don t miss the gripping new page turning thriller from the USA Today bestseller **The Winner** Teddy Wayne,2024-05-28 A New York Times Book Review and Washington Post Top 10 Thriller of the Year A New Yorker Vogue Esquire Elle and Bookshop org Best Book of the Year Conor O Toole has never been anywhere like Cutters Neck a gated community near Cape Cod It s a sweet deal for the summer in exchange for tennis lessons he receives free lodging in a luxurious guest cottage far from the cramped Yonkers apartment he shares with his diabetic mother In this oceanfront paradise however new clients prove hard to come by and Conor has bills to pay When Catherine a sharp tongued divorcee offers double his usual rate he soon realizes she is expecting additional off the court services for her money and Conor tumbles into a secret erotic affair unlike anything he s experienced before Despite his steamy flings with a woman twice his age he simultaneously finds himself falling for an artsy outspoken girl he meets on the beach With cautious strategic planning Conor somehow manages this tangled web until he makes one final irreversible mistake A dark explosive literary thriller that brilliantly skewers the elite Whiting Award winner Teddy Wayne s unputdownable novel is cinematic shocking and a psychological masterpiece **Fit & Well** Thomas Davin Fahey,Paul M. Insel,Walton T. Roth,Claire Insel,2025 Fit Well offers students the knowledge and skills they need to make meaningful and lasting behavior changes Trusted science based content has been shown to help students improve their exercise and eating habits as well as to deal more effectively with stress The Quiet Zone Stephen Kurczy,2021-08-03 In this riveting account of an area of Appalachia known as the Quiet Zone where cell phones and WiFi are banned journalist Stephen Kurczy explores the pervasive role of technology in our lives and the innate human need for quiet Captures the complex beauty of a disconnected way of life The Nation With a new afterword to the paperback edition Deep in the Appalachian Mountains lies the last truly quiet town in America Green Bank West Virginia is a place at once futuristic and old fashioned It s home to the Green Bank Observatory where astronomers search the depths of the universe using the latest technology while schoolchildren go without WiFi or iPads With a ban on all devices emanating radio frequencies that might interfere with the observatory s telescopes Quiet Zone residents live a life free from constant digital connectivity But a community that on the surface seems idyllic is a place of contradictions where the provincial meets the seemingly supernatural and quiet can serve as a cover for something darker Stephen Kurczy embedded in Green Bank making the residents of this small Appalachian village his neighbors He shopped at the town s general store attended church services went target shooting with a seven year old square danced with the locals sampled the local moonshine In The Quiet Zone he introduces us to an unforgettable cast of characters There is a tech buster patrolling the area for illegal radio waves electrosensitives who claim that WiFi is deadly a sheriff s department with a string of unsolved murder cases dating back

decades a camp of neo Nazis plotting their resurgence from a nearby mountain hollow Amongst them all are the ordinary citizens seeking a simpler way of living Kurczy asks Is a less connected life desirable Is it even possible The Quiet Zone is a remarkable work of investigative journalism at once a stirring ode to place a tautly wound tale of mystery and a clarion call to reexamine the role technology plays in our lives **Good Things Happen to People You Hate** Rebecca

Fishbein,2019-10-15 For lovers of Sloane Crosley and Samantha Irby this hilarious and raw essay collection paints a recognizable and relatable portrait of life in the early aughts Former Senior Editor for Gothamist Rebecca Fishbein's adult life has been a dramatic reflection of New York media itself constantly evolving in unexpected ways and seemingly always on the edge of disaster In short Rebecca has seen it all from 3 bedbug infestations to being fired to being yelled at while working at American Apparel to losing all her stuff in a freak fire to being bullied online by angry Taylor Swift fans But the real humor and meat of the collection come from Rebecca's unwavering honesty and unflinching examination of her struggles with alcohol anxiety depression compulsive lying female beauty standards and a slew of failed coworker roommate friend semi relationships are dark insightful and hilarious As Jia Tolentino commented the era of the personal essay ended with the election this is not your grandmother's millennial essay collection Rebecca's writing is relatable without being preachy and conveys a message of resilience by example not by moral Readers will recognize the world they themselves see a disastrous president and a scary socioeconomic landscape in Becca's writing and find comfort in her humor and a snarky but incisive friend in her writing **Intention Obsession** Erica Feldmann,2025-01-14
