**Brevard S. Childs**

## To Follow Yahwehs Plan:

*The Book of Exodus* Brevard S. Childs,2004-01-01 Taking a pioneering approach to commentary writing Brevard Childs gives an entirely original treatment to the book of Exodus Apart from the philological notes and translation this commentary includes a form critical section looking at the growth of the tradition in its previous stages a consideration of the meaning of the text in its present form and a consideration of its meaning in its total Old Testament context The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys The contributors are scholars of international standing *Introduction to the Bible* Christine Hayes,2012-10-30 This book examines the small library of 24 books common to all Jewish and Christian Bibles books that preserve the efforts of diverse writers over a span of many centuries to make sense of their personal experiences and those of their people the ancient Israelites Professor Christine Hayes guides her readers through the complexities of this polyphous literature that has served as a foundational pillar of Western civilization underscoring the variety and even disparities among the voices that speak in the biblical texts

**Reading the Latter Prophets** Edgar W. Conrad,2004-04-01 Edgar W Conrad focuses on the prophetic books as composite collections and shows that 1 prophets are characters in the text depicted as figures of the past whose words are significant for a later time 2 reading and writing play a central role in the depiction of prophets 3 prophetic books are presented as written words available to later generations through reading 4 that read as a whole the latter prophets depict the end of prophecy and the emergence of messengers of the Lord Reading the Latter Prophets is an important contribution to the problems of both the formation and function of the prophetic literature

**The Journey of a Poetizer** Melody A. Wooten,2013-02-05 In this book you will find poetry testimony essays and psalms songs of expression some of which I hope you as the reader can relate Some of it you may find interesting now and some you may not But glean what you can now place the book on a shelf and when inspired go back and glean some more Some things we may see now but can only relate to when we get there May Yahweh Almighty bless your understanding Peace be multiplied

**The Book of Jeremiah** John Goldingay,2021-12-07 Of the Major Prophets Jeremiah is perhaps the least straightforward It is

variously comprised of stories about the prophet Jeremiah exchanges between Jeremiah and Yahweh and messages directly from Yahweh meaning a consciousness of form is essential to the understanding of its content At times it is written in poetry resembling Isaiah while at other times it is written in prose more similar to Ezekiel And it is without doubt the darkest and most threatening of the Major Prophets inviting comparisons to Amos and Hosea John Goldingay a widely respected biblical scholar who has written extensively on the entire Old Testament navigates these complexities in the same spirit as other volumes of the New International Commentary on the Old Testament series rooted in Jeremiah's historical context but with an eye always trained on its meaning and use as Christian Scripture After a thorough introduction that explores matters of background composition and theology Goldingay provides an original translation and verse by verse commentary of all fifty two chapters making this an authoritative and indispensable reference for scholars and pastors as they engage with Jeremiah from a contemporary Christian standpoint

**Against Principalities and Powers**

Daniel K. Darko,2020-03-31 In this comprehensive exploration of Ephesians Daniel K Darko establishes the context of early Christians in Asia Minor specifically in relation to their belief in spiritual beings and the role these beings play in human affairs Drawing parallels with

contemporary contexts across the globe especially in Africa Professor Darko critiques the limited lens of Western interpretation encouraging the church to embrace a broader array of worldviews in its pursuit of deep biblical understanding and sound application Ultimately Darko demonstrates that salvation in Ephesians is about deliverance from sin and the end of control by evil powers so we can flourish under the reign of God

*Unveiling The Battle For God's Kingdom* Rev Thomas L. Vent ThM,2025-08-30 The Bible reveals a Two World Existence consisting of the physical and spiritual dimensions that coexist and interact God's original creation was a paradise where spiritual and physical realms were harmoniously united with humanity created as hybrid beings bearing God's image designed to rule alongside Him Spirit beings such as angels cherubim and archangels were created before the physical universe to serve various roles in the heavenly realm This dual creation forms the foundation for understanding the spiritual realities influencing human history and God's kingdom plan The initial harmony was disrupted by the rebellion of Lucifer an anointed guardian cherub whose pride led to a spiritual mutiny involving a third of the angels This rebellion introduced evil into both worlds initiating a cosmic warfare that continues throughout biblical history Humanity's fall occurred when Lucifer appearing as a serpent deceived Eve bringing sin spiritual death and broken relationships with God and creation God's judgment included expulsion from Eden and Satan's confinement to earth marking the beginning of ongoing spiritual warfare Despite this God promised a Redeemer who would ultimately defeat Satan foreshadowed through animal sacrifices and the protoevangelium Genesis 3:15
