[Hatha Yoga For Beginners: Learn Proper Yoga Anatomy & Poses](#) Juliana Baldec, 2014-08-26 Hi, Juliana Baldec here. My sister, Alecandra Baldec, empowered me to get into the fascinating world of Yoga. She inspired me and encouraged me not only to tap into the unlimited benefits of Yoga, which helped me get rid of my breathing and Asthma problems, but she also inspired me to write this Yoga poses book that includes all the Yoga poses that I have been doing on a daily basis for around 3 months now. We put our two beginning Yoga position guides together into one comprehensive compilation for beginning Yoga students to learn from and to enjoy. Both her and my book talk about beginning Yoga poses in a completely different way and perspective, because I am a beginning Yoga student myself and I am talking about my own experiences that I have made with Yoga over the past 3 months and she is a certified Yoga instructor and has lots of experience and knows about every aspect of Yoga. This is why I also included a cool 5 minute Yoga strategy for you so that you can even stick to your daily Yoga ritual if you are a very busy Yoga beginner and have almost no extra time for Yoga workouts. I also hope that this book will enable and empower
