**The Meaning of Revelation** Helmut Richard Niebuhr,2006-02-01 This reissue of a 20th century classic emphasizes an understanding of God's revelation that takes seriously both the Bible itself and modern ideas about the nature of history Includes a new Foreword by Ottati which sets Niebuhr's work in the context of his other writings and explores the significance of this book

**The Meaning of Revelation** Helmut Richard Niebuhr,1946 *The Meaning of Revelation* H. R. Niebuhr,1974

Method, Meaning and Revelation Neil Ormerod,2000-11-08 In Method Meaning and Revelation Ormerod examines the writings of Lonergan to ascertain his theology of revelation and to place this in the context of current theologies of revelation Rahner Pannenberg and Lindbeck Ormerod's synthesis of Lonergan's position is that of seeing revelation as the entry of divine meanings and values into human history A valuable addition to the study of the work of Lonergan

**The Meaning of Revelation** John Linton,1940\* **Behold the Lamb** James R. Gordon,2007-10 If your Bible is open to the Book of Revelation you need this companion book open at its side In times of discouragement and depression the average person likely wouldn't automatically turn to the Book of Revelation as a source of comfort and strength Yet that's exactly what author James R Gordon in Behold the Lamb The Meaning of Revelation contends readers are to do Gordon makes the last book of the Bible seem friendly and unthreatening as he encourages readers to keep their focus on Christ and the glory they can anticipate when someday face to face they are in His majestic presence This introductory guide or survey of Revelation appeals to a lay reader as well as yields excellent preaching points or outlines for a clergymember Without bogging down in millennial eschatology Gordon urges readers to live with eternity in view instead of being controlled by the present He says Revelation urgently steers readers toward thoughts such as Am I really trusting Christ for my salvation or am I just playing a game Can I truly say my faith in Christ is genuine and real Am I honestly looking forward to the time when God will make everything new Gordon reminds believers that one day all believers will have the Apostle John's thrilling experience of hearing every creature in heaven and on earth singing praise and honor and glory and power for ever and ever

The Meaning of Revelation Helmut Richard Niebuhr,1962 The Meaning of the Revelation Philip Carrington,2008-05-01 The object of this book is to provide a running commentary on the Book of Revelation elucidating its meaning Other introductory and technical considerations are subordinated to this main quest Though a scholarly work it is written in a manner free from technicalities so as to make it useful to the general reader It was written with the hope that a simple treatise on Revelation's meaning would help clergy and others who often have to deal with people who take it in a false and literal sense When the Revelation was originally written it was naturally accepted as an account of current events and of events shortly to come to pass that is how it describes itself Rev 1 1 3 22 6 10 and that is how it was naturally taken Unfortunately the key to its meaning was soon lost and its mystical symbolism was taken as literal description When it reflects events of history it is current events that it reflects The Revelation represents great principles working themselves

out in actual history The book is a literary unity stamped throughout by the mark of a great genius It is one of the loftiest mystical poems the world has produced Revelation insists that certain events of worldwide importance are coming immediately following the same general lines as Christ s Olivet Discourse which spoke to events of which the Lord himself declared Truly I say to you this generation will not pass away until all these things take place Matt 24 34     *The Book of Revelation* Thomas Nelson,2010-01-31 The Book of Revelation is God s message to all who are concerned about the future No Bible guide makes Revelation more understandable than The Smart Guide to the Bible The Book of Revelation You ll grasp the meaning of each verse you ll understand every important symbol and you ll get the big picture of all that God has promised for those who believe in Him The Smart Guide to the Bible is a series of simplified commentaries designed to uncomplicate God s word for everyday Bible readers Every page contains handy features or learning aids like these Cross references to other Scriptures Brief commentaries from experts Points to ponder The big picture of how passages fit with the entire Bible Practical tips for applying biblical truths to life Simple definitions of key words and concepts Interesting maps charts and illustrations Wrap ups of each biblical passage Study questions Whether you re new to the Bible a long time student of Scripture or somewhere in between you ll appreciate the many ways The Smart Guide to the Bible The Book of Revelation goes far beyond your typical Bible study tool The practical relevant helps on each page lead you to get the most out of God s word

**Wrath and Glory, 3rd Edition** David Reagan,2021-05-14 Many Christians are very intimidated by the book of Revelation They are convinced that it contains nothing but bad news They are even further daunted by the great variety of bizarre interpretations of the book In this book Dr David Reagan explains that Revelation contains only good news for those who have received Jesus as their Lord and Savior Dr Reagan proves that any Christian can understand the book of Revelation if they are willing to accept its plain sense meaning As the Lord begins to open your understanding you will be thrilled by the promises of God that it contains for believers You will find yourself earnestly yearning for the Lord s soon return as never before This book is written for all denominations and ages It dispels the myths about Revelation showing that the messages of Revelation are desperately needed by the 21st Century Church which is apostasized from within and persecuted from without

Edward Allison McDowell,1951     **The Excellence of Revealed Religion** C. G. Challenger,2013-10-10 Originally published in 1928 this book examines the growth and decay of the view of Christianity as a revealed religion as opposed to a religion of nature and the development of the concept of revelation Challenger demonstrates how Christian thinkers over time conceived Christianity s relationship to prophecy and philosophy and the various syntheses between faith and reason This book will be of value to anyone with an interest in the history of Christianity and Christian philosophy     Rethinking the Meaning of Revelation Clifford Ross Johnson,1942     **The Book of Revelation** G. K. Beale,2013-08-07 This monumental

commentary on the book of Revelation originally published in 1999 has been highly acclaimed by scholars pastors students and others seriously interested in interpreting the Apocalypse for the benefit of the church Too often Revelation is viewed as a book only about the future As G K Beale shows however Revelation is not merely a futurology but a book about how the church should live for the glory of God throughout the ages including our own Engaging important questions concerning the interpretation of Revelation in scholarship today as well as interacting with the various viewpoints scholars hold on these issues Beale s work makes a major contribution in the much debated area of how the Old Testament is used in the Apocalypse Approaching Revelation in terms of its own historical background and literary character Beale argues convincingly that John s use of Old Testament allusions and the way the Jewish exegetical tradition interpreted these same allusions provides the key for unlocking the meaning of Revelation s many obscure metaphors In the course of Beale s careful verse by verse exegesis which also untangles the logical flow of John s thought as it develops from chapter to chapter it becomes clear that Revelation s challenging pictures are best understood not by apparent technological and contemporary parallels in the twentieth century but by Old Testament and Jewish parallels from the distant past

*The Harvard Theological Review* ,1912    The Book of Revelation Earl Thames,2014-08-12 Revelation is about the resurrected Christ His church and the world More than any other prophetic book of the Bible the prophecies of Revelation are presented in symbolic form that is pictures rather than words are used to convey the message This is why this book is somewhat difficult to understand the pictures have to be interpreted These amazing symbolic pictures like the Parables both reveal and conceal Thus the book of the Revelation is not so clear that everyone can see the meaning and understand it immediately But as will be discovered the pictures have an ascertainable meaning a meaning which is based on the previous books of the Bible It should be mentioned at the outset that some pictures have more than one meaning that is they are composite Where this is so all the meanings are valid and must be held together Another remarkable fact must be stated Unlike any other book of the Bible Revelation in an amazing way sums up all that has gone before in both Old and New Testaments In other words it sums up all the other books of the Bible Revelation is in truth the final book of the Bible and so every thread which runs through the Scriptures is not only picked up but tied into a final knot in this amazing book
