Roman Derek Marlowe,1970 **Memoirs of a Venus** Derek Marlowe,1968-05-27 *Writing Talk* Alex Hamilton,2012 In his long career in literary journalism Alex Hamilton has probably met and talked in depth to more of our great writers than anyone else from the most critically acclaimed to the most hard nosed bestsellers from novelists to cartoonists and in every genre from Thrillers and Whodunnits to Short Stories from Poetry to Science Fiction This selection from a life s work gives us a stimulating and rare insight into the minds and lives of some of the most fascinating creators of our modern culture It s a book that contains many surprises in the revelations given by some of the authors about their struggles and victories the serious or humorous commitments made by them and their addiction to the kind of fiction they like to write The reader will soon realise that no two of these eighty five featured authors such as Kurt Vonnegut Angela Carter Stephen King Daphne du Maurier Ian McEwan Jorge Luis Borges Graham Greene or Margaret Atwood are alike Splendidly informative and serious *Writing Talk* is also often very funny a book to dip into as the mood takes or to dive into hungrily It will appeal to those with a passion for books and for the people who have written them I ve been fortunate to talk to so many marvellous writers Gathering some of these conversations into a book rather than their brief life in a daily newspaper offers a chance for readers to share my pleasure and to introduce a new generation to some past greats says Alex Hamilton behind his reason to create *Writing Talk* *Time Out London Walks* Editors of Time Out,2011 *Time Out London Walks* features 30 walks from London writers each revealing a personal insight into their chosen corner of the capital From ancient woodland to modern skyscrapers motorway underpasses to stately homes most parts of the city are subject to the scrutiny of the writers The end result is a book that can be read with pleasure at home as a collection of writing about London and above all used as a thought provoking guide to a series of walks through the capital Snapshots Margaret Forster lets us in on her regular walk around Hampstead Heath Dan Cruickshank passes an architectural eye over the city Graham Norton takes us to the gay bars and clubs of Soho John Vidal trudges 29 miles along the side of the Thames giving a passionate critique of soulless developments and sensitive regeneration from the Thames Barrier to Hampton court Kate Kellaway makes a nostalgic return to her childhood in Kentish Town and Hampstead Irma Kurtz rediscovers the monied pavements of Knightsbridge and Kensington Yvonne Roberts contrasts the class conscious commons of Clapham and Wandsworth Lucinda Lambton leaps from grave to grave in Kensal Green Cemetery **Catalog of Copyright Entries.
