**Hermeneutics** Bruce Corley,Grant Lovejoy,Steve W Lemke,2002-04-15 Biblical Hermeneutics is a textbook for introductory courses in hermeneutics It takes an interdisciplinary approach that is both balanced and practical with six major areas of focus the history of biblical interpretation philosophical presuppositions biblical genre the uniqueness of Scripture the practice of exegesis and use of exegetical insights that will be lived and communicated in preaching and teaching Biblical Hermeneutics is designed for students who have little or no knowledge of biblical interpretation It provides in one volume resources for gaining a working knowledge of the multi faceted nature of biblical interpretation and for supporting the practice of exegesis on the part of the student The first chapter A Student s Primer for Exegesis by Bruce Corley gives the

student a bird's eye view of the entire process. It becomes for the student a kind of template to which they will return again and again as they engage in the process of exegesis. This revised edition of Biblical Hermeneutics contains seven new chapters that deal with the major literary genre of Scripture: law, narrative, poetry, wisdom, prophecy, Gospels, and Acts, epistles, and apocalyptic. The unique nature of Scripture is presented in part three that addresses the authority, inspiration, and language of Scripture. The book contains two extensive appendices: A Student's Glossary for Biblical Studies and an updated and expanded version of A Student's Guide to Reference Books and Biblical Commentaries.

**What the Bible Says about the Dangers of Self-Deception** Joseph K. Pak, 2024-10-17 How do people know if they are deceiving themselves? Self-deception is something everyone practices to one degree or another, and it is closely related to other deception: deceiving other people and Satan's deception as the father of lies (John 8:44). How dangerous is self-deception? It can cost people their eternal destiny if they are deceiving themselves about their salvation. Self-deception has been a topic of keen interest among philosophers, theologians, and psychologists, and is also a significant theme in the Bible. This book first introduces what the fields of philosophy, theology, and psychology say about self-deception and then examines many Bible passages that address the topic of self-deception to gain a biblical understanding of what it is and how to prevent it.

**Studies on 2 Corinthians** Reimund Bieringer, Jan Lambrecht, 1994. **The Message of 2 Corinthians** Paul W. Barnett, 1988-09-21 Conflict had invaded the church of first-century Corinth. The future of the Christian community was at stake; the essence of Paul's ministry under fire. Paul Barnett shows us how 2 Corinthians addresses an issue that continues to challenge the church nineteen centuries later: how to proclaim the true gospel through authentic ministry.

Since Hendriksen's death in 1982, the series has been continued by Simon J. Kistemaker. Four of the volumes compiled by Kistemaker earned the Gold Medallion Award: Hebrews, James, and 1-3 John, Acts, and 1 Corinthians.

Real Peace Andy Farmer, 2013 Real and permanent peace is possible. Written for those struggling with the pains and trials of life, this book will help Christians find and share lasting peace and reconciliation with the world.

**Essentially One** JONATHAN LAMB, 2020-06-18 Across the barriers of race, class, culture, and denomination, Christians are united through the transforming power of the gospel of grace. Yet instead of walls dismantled and alienations healed, churches are often characterised by ugly division, narrow tribalism, and painful fragmentation. In a world characterised by growing social division, hostile identity politics, and polarised cyber tribes, all compounded by shrill voices on social media, the

author unfolds the profound biblical vision of true unity founded on the redemptive purposes of God to create a single new humanity This book provides crucial help for handling differences and overcoming division calling for attitudes and behaviour that portray Christ like character and reflect true Christian community Applying key biblical texts it addresses practical issues of handling conflict managing change using words wisely avoiding tribalism strengthening partnerships and building counter cultural community in the local church Urging us to make every effort to promote godly unity this is a thoughtful yet passionate call to remember that we are essentially one for the sake of God s honour and the credibility of our Christian witness in a fractured world     *Whitaker's Books in Print* ,1998     *Elenchus of Biblica* ,1993     [Index to Book Reviews in Religion](#) ,1999     **Books in Print** ,1991     [The Gospel of Matthew](#) Watson E. Mills,1993     **The Message of Creation** David Wilkinson,2002-09-26 David Wilkinson traces the theme of creation through the rich tapestry of Scripture and brings it into lively conversation with contemporary concerns
