Ronald Vandermey,Gary Cohen,1981-07-26 God used Hosea and Amos one right after the other to announce to the Northern Kingdom Israel that God s patience had at last ended and that the hour of decision had arrived These prophets challenged Israel to repent now or face God s immediate judgment and endure pitiless conquest and plundering at the hands of the merciless Assyrians Both prophecies end with the assurance of God s abiding love for His people and His absolute pledge of their cleansing and restoration Two biblical scholars encourage students to understand

and be challenged by these biblical events that so closely parallel those of our own times Their simple organized commentary will prove valuable to students at any level individually or in a group **The Undercover Messiah and His Coming Kingdom**

Jim R. Sibley,2025-01-21 What a profound mystery An undercover Messiah While an undercover agent may assume a deceptive identity an undercover boss assumes an identity that is merely unrecognized The concept of an undercover Messiah suggests that he assumed a role that was largely unanticipated though it was prophesied centuries earlier in Israel s Scriptures Messiah was to come as the Prophet like Moses the Priest like Melchizedek and the King like David Yet in his role as the Prophet he went largely unrecognized in his day and today Changing water to wine may seem undramatic but Moses s first miracle in Egypt was changing water to blood symbolizing judgment and death Jesus changed water to wine symbolizing the joy of redemption With this Jesus presented his calling card After his resurrection when Jesus encountered his confused and disheartened disciples he began with Moses This book unpacks Jesus as Prophet Priest and King and the kingdom he will establish as the future inheritance of believers With insights drawn from the latest scholarly research it offers relevant life changing wisdom for these turbulent times *Hosea*

H. Ronald Vandermey,1981 God used Hosea and Amos one right after the other to announce to the Northern Kingdom Israel that God s patience had at last ended and that the hour of decision had arrived These prophets challenged Israel to repent now or face God s immediate judgment and endure pitiless conquest and plundering at the hands of the merciless Assyrians Both prophecies end with the assurance of God s abiding love for His people and His absolute pledge of their cleansing and restoration Two biblical scholars encourage students to understand and be challenged by these biblical events that so closely parallel those of our own times
