The Most Dangerous In The World 9 Or 11 As Mass Ritual:

The Most Dangerous Book in the World S. K. Bain, 2012 Examines the September 11th attacks from an occult perspective arguing that the framework for the event was a psychological warfare campaign built upon a foundation of black magick and high technology

QAnon & the #Pizzagates of Hell Michael J. Cat, 2022-07-01 Most of the rational world is currently asking What is wrong with these Qanon people My book *Pizzagates of Hell Unreal Stories of Occult Child Abuse by the CIA* asks What is right with them Sure Qanon is an unhinged mostly right wing group of individuals that believe the world is run by a left wing cabal of satanic pedophiles But by the time of the 2020 U S presidential election their numbers were growing And not just in the United States There have been contingents in the U K Germany and Australia 89 Qanon supporters in the U S ran for Congress suggesting that Qanon has come to represent a minor political constituency My book doesn't ask what sort of deranged media and cultural environment gave rise to Qanon Instead it asks what it is about their ideology that has caught fire More specifically it asks is there something in the supposedly delusional ravings of this new political movement that might actually be accurate Pedo cabal Check Notorious pedophile and spook Jeffrey Epstein had ties to two U S presidents the king of Saudi Arabia two Israeli prime ministers and the British Royal Family Occultism Check British intelligence relied on Aleister Crowley the disputed grandfather of Satanism as a spy from World War One and beyond U S intelligence agent Lt Col Michael Aquino was an open Satanist accused of ritual sexual abuse of children at multiple daycare centers across the U S and possibly abroad The Illuminati Check The Illuminati may not exist per se but numerous secret societies do exert undue influence on global affairs from the Freemasons and Skull and Bones to Bilderberg and Le Cercle It is hard not to argue that we are ruled by a secret elite Turning Us All into Sex Slaves Question mark Though the long rumored Monarch Program is feasible when one examines the history of the CIA's MK ULTRA there is so far no proof of its existence Once we've asked what Qanon has gotten right

The Three Barons James W. Lateer, 2017-11-16 The Three Barons proves that it is possible with enough research to reconstruct the organizational chart of the JFK plot This book provides the first useful in depth analysis of the 120 phone calls by LBJ in the week following the assassination regarding such items as the Civil Rights Act demands made by the military and similar political power plays The Three Barons presents the first use of statistical factor analysis to identify the plotters using a database of 30 books and 1500 names and examines the military officers allegedly close to the plot such as NATO Commander Gen Lyman Lemnitzer General Lauris Norstad and JFK's advisor Gen Maxwell Taylor For the first time the National Security Council its structure and its members are scrutinized for their obvious role in the JFK plot More specifically The Three Barons explains the role of Treasury Secretary C Douglas Dillon and his father investment banker Clarence Dillon who likely had fascist sympathies This book identifies for the first time why there were three actual barons involved in the plot and why at least three members of the Warren Commission had powerful Nazi connections beginning in WWII and continuing through November 22 1963

Legacy of the Yosemite

Mafia Paul D. Berkowitz, James ("J.T.") Reynolds, 2017-05-04 Calling upon his unique experiences as a criminal investigator in the National Park Service NPS Berkowitz proves how an over emphasis on image the ranger image has led to an NPS culture that accepts misconduct Citing verified news accounts internal agency documents and personal notes this dramatic case study challenges conventional wisdom and official accounts of agency history Agency culture set in motion nearly a half century ago beginning with a group of employees known as the Yosemite Mafia includes a demonstrated bias against professional law enforcement and a reluctance to hold senior managers accountable This book fills a gap in existing literature dealing with noble cause corruption and corrects popular assumptions about the NPS its history and its law enforcement responsibilities

Covert Wars and Breakaway Civilizations Joseph P. Farrell, 2020-12-05 Oxford educated historian Joseph P Farrell really delivers in this latest addition to his best selling book series on suppressed technology Nazi survival and postwar hidden conflicts His customary meticulous research and sharp analysis blow the lid off of a worldwide web of nefarious financial and technological control few people even suspect exists Farrell delves into the creation of a breakaway civilization by the Nazis in South America and other parts of the world He discusses the advanced technology that they took with them at the end of World War II and the psychological war that they waged for decades against America and NATO He shows how the breakaway civilization has created a huge system of hidden finance with the involvement of the Vatican Bank among others and how NATO established a large covert warfare network and political slush fund He investigates the secret space programs currently sponsored by the breakaway civilization and the current militaries in control of planet Earth Farrell includes a fascinating discussion of emulational technologies those that can manipulate acts of god nature like earthquakes and storms from the standpoint of the culture of full spectrum dominance and the culture of plausible deniability yes there are plans for mass destruction that can never be traced back to their real source Farrell also discusses the historical origin of the breakaway civilization with the continuing airship mystery incredibly bold counterfeiting operations and the nexus of spy satellites nuclear weapons and UFOs He includes plenty of astounding accounts documents and speculation on the amazing alternative history of hidden conflicts secret super finance and technology

The End S. K. Bain, 2020-03-26 A substantial percentage of conservative Christians already believe that the signs of the Apocalypse are everywhere and almost daily witness what they believe to be fulfillment of Biblical end times prophecies Yet significant numbers of quite sincere earnest Bible believers have for the last 2 000 years looked at the conditions in the world around them and based on their interpretation of scripture concluded that the jig was up And they've all been wrong Every single time But what if just maybe ours is the final generation Can we know for certain that we have arrived at the End of Days There is a clock in the heavens God placed knowledge of this clock into the minds of men in the earliest days of civilization It was practically universal across the millennia among all peoples and nations In modern times we have forgotten this knowledge We have become too busy and distracted for such things Now God is re awakening this ancient wisdom in our

hearts and minds in a profound way at this specific time in history for a very significant reason the ultimate reason As S K Bain adroitly explains God has very plainly told us that NOW is the time and told us in such an unmistakable and convincing way that it will not only confirm the faithful s existing beliefs about where we are on God s timeline but will also attract the interest and attention of unbelievers as well If Bain is correct it is a message of hope a message intended for us at this precise moment in human history designed so that all may see all may know all may understand and believe This world must pass so that God s new world may emerge The last grain of sand is about to pass through the neck of the hour glass and God is telling us what time it is that time has run out

Burying the Lead Mal Jay Hyman,2019-03-01 The Cold War ushered in a time of secrecy and willing media cooperation to keep those secrets But even after winning that war the vault of secrets remains firmly locked especially surrounding John F Kennedy s murder Even for those who fundamentally oppose the current presidential administration notions of a national security state and fake news must be examined to maintain a functional democracy This book explains the rapid decline in confidence in government that started after the assassination of JFK The mainstream media failed to go beyond repeating the official story and by 1991 they along with academe and the government had stopped investigating altogether It was filmmaker Oliver Stone whose film fueled public outrage and led to the JFK Act to declassify all of the remaining documents Almost four million pages of documents were then released that even Congress had not yet seen The JFK Act stated that all files must be released by October 2017 yet thousands are still withheld on the grounds of national security This volume examines the tight alliances that have allowed this cover up for more than 50 years President Kennedy declared in October 1963 that men who create power make an indispensable contribution to a nation s greatness but the men who question power make a contribution just as indispensable especially when they are disinterested for they determine whether we use power or power uses us

Black Jack S.K. Bain,2019-06-21 It s been a long time coming and it s right around the corner As author S K Bain detailed in The Most Dangerous Book in the World 9 11 as Mass Ritual the events of September 11th 2001 constituted a global occult ceremony But that was mere child s play compared to what he s uncovered since If 9 11 was a MegaRitual this is a GigaRitual or TeraRitual even Its scope and scale are truly difficult to grasp If you thought that 2012 was the end of Galactic Alignment think again However this book doesn t propose some new date for the made up Mayan Doomsday far from it We are on the cusp of a once in a 26 000 year event one that in astrological terms knows no equal Do not think for one moment that the masters of our world will let it pass unmarked Black Jack reveals the true date of the End of the Great Age the Mother of All Auspicious Occasions a date that the Cryptocracy has been fixated on and feverishly preparing for over the past two centuries and well before It will almost assuredly bring a ritualistic celebration like none other ever witnessed involving mass human sacrifice and the biggest fireworks show in history The world approaches the dawning of a new Grand Cycle which the elite will inaugurate as the New Great Age of Satan As we draw near ask yourself this question if you were among the ranks of these precious few ultra powerful would you

spare any expense or effort to properly commemorate this unique occasion or to fittingly dedicate it to your Dark Lord Of course you wouldn't And as a member of the Cryptocracy you would be so bold and fearless as to announce your intentions to the entire world far in advance You would provide all the useless eaters with the obligatory fair warning mockingly giving notice in plain sight in the most powerful city in the world You would encode The End of the Old World Order in the streets of Washington D C which as is revealed in these pages is nothing less than a Gigantic Black Magickal Spellcasting Machine Furthermore you would embed the date of demise in the modern calendar as plain as day for those with eyes to see You would orchestrate a string of foreshadowing preparatory lesser false flag attacks mass rituals in the decades leading up to the grand occasion rituals involving for instance consecrated sacrificial vessels such as as was the case on 9 11 commercial airliners filled with dozens of innocent victims Your elite family is among those who have instigated world wars and induced global famines You think nothing of the use of false flag terrorism to achieve your goals and objectives even nuclear false flag terrorism One doesn't have to be a religious fundamentalist to sense it or see it all around us the Satanification of the World Practically every public event is now a thinly veiled if at all Satanic ritual We are being driven hard towards something in the near future something whose hideous form becomes clearer by the day All the while the grip of the global dark occult technofascist dictatorship grows ever tighter Preparations have been underway for a very long time even from the Founding of America and the hour grows late With bated breath the entire planet knowingly or unknowingly awaits the arrival of Black Jack

At The Cold Shoulder of History James Curtis Jenkins, William Matson Law, 2018-10-12 At the Cold Shoulder of History gives an in depth look at what happened in the aftermath of President John F Kennedy's assassination One of the only living participants in President Kennedy's autopsy now comes forward after almost 54 years of silence and speaks about what truly took place inside of the morgue at Bethesda Naval Hospital on the night of November 22 1963 Jenkins gives a detailed account about the procedures performed on the President's remains What he learned that night led him to believe there was a conspiracy in the murder of the 35th President of the United States and caused him to undertake his own personal journey into the labyrinth of the assassination
