The Murderer In Ruins:

The Murderer in Ruins Cay Rademacher, 2015 The Murderer in Ruins is the first of a trilogy set in Hamburg 1947 A murderer is on the loose and policeman Frank Stave whilst plagued with worry about his missing son is under increasing pressure to find out why after the atrocities of World War II someone still has the stomach for murder *The Forger* Cay Rademacher, 2018-08-16 SHORTLISTED FOR THE CWA INTERNATIONAL DAGGER AWARD 2019 Hamburg 1948 In a routine operation Chief Inspector Frank Stave is shot down He survives but transfers from the murder commission to the office combatting the black market There Stave is confronted with an enigmatic case Trummerfrau women helping to clear rubble from Hamburg's bombed streets discover works of art from the Weimar period right next to a unidentified corpse Shortly afterwards mysterious banknotes whose existence disturbs the Allies secret plans begin to pop up on the black market The Supervisor soon discovers strange parallels between the two cases With the introduction of a new currency Stave thinks he is on the brink of a solution But the truth is dangerous and not just for him Praise for the Frank Stave Investigations Undoubtedly the most powerful work of crime fiction I have read this year Independent Vivid and harrowing Sunday Times Police procedural romance thriller The Murderer in Ruins has a bit of everything and it's one hell of a read Bcher Reader Reviews for The Forger An excellent series based in Hamburg just after World War II Interesting characters and story lines a view from defeated Germany we wouldn't normally hear Characters were good plot good and it really highlights post war Germany and the inequalities among both sides The only really disappointing thing is there is not a fourth one to read I could not put it down Brilliant Translated from the German by Peter Millar Murder on the Reservation Ray B. Browne, 2004-06-30 In Murder on the Reservation Ray B Browne surveys the work of several of the best known writers of crime fiction involving Indian characters and references virtually every book that qualifies as an Indian related mystery Browne believes that within the genre of crime fiction all people are equal and the increasing role of Indian characters in criminal fiction proves what an important role this genre plays as a powerful democratizing force in American society He endeavors to both analyze and evaluate the individual work of the authors and at the same time provide a commentary on the various attitudes towards race relations in the United States that each author presents Some Indian fiction is intended to right the wrongs the authors feel have been leveled against Indians Other authors use Indian lore and Indian locales as exotic elements and locations for the entertaining and commercially successful stories they want to write Browne's analysis includes authors and works of all backgrounds with mysteries of first class murder both on and off the reservation

Murder in Ruins Richard Hunt, 1993 **The Wolf Children** Cay Rademacher, 2017-02-21 Book Two of the Inspector Frank Stave Investigations a German detective trilogy set in post WWII Hamburg More than 150 000 copies sold Hamburg 1948 It is a year of extremes After a bitterly cold winter of starvation the bombed city groans under excruciating heat And Chief Inspector Frank Stave is confronted with a new case In the ruins of a shipyard the corpse of a boy is found and Stave's

hunt for the killer leads him into the world of wolf children orphaned children who have fled from the Occupied Eastern Territories and are now united in gangs When two more bodies are discovered Stave is under even increasing pressure as he struggles to keep his personal life together too Praise for the Frank Stave Investigations Undoubtedly the most powerful work of crime fiction I have read this year Independent Vivid and harrowing Sunday Times Police procedural romance thriller The Murderer in Ruins has a bit of everything and it s one hell of a read B cher Reader reviews for The Wolf Children This is writing at its best A well crafted murder hunt set in haunting landscape of post war Hamburg Cay Rademacher has again written a book that will stay in my memory for a long time Another atmospheric well researched novel from Rademacher He has a remarkable ability to bring characters to life in the space of a paragraph A bit of a goldilocks book Not too heavy not too light not too long not too short Just about right Translated from the German by Peter Millar **My Ghost Wife** Yue LaiYueHao,2020-09-13 My name is Chen Fei a forensic doctor In order to pay respects to my grandparents and burn paper to sweep the tomb I rushed back to my hometown He had actually committed a taboo attracting a beautiful ghost girl The Garston Murder Case ... Henry Christopher Bailey,1930 **Joseph Wilmot; or, The memoirs of a man-servant** George William MacArthur Reynolds,1880 **The New World** ,1844 **The Messiah Prophecy Murders** Charles LeRoy Janes,2022-06-29 If Quentin Tarantino and Fyodor Dostoyevsky were to meet on a street in old St Petersburg and agree to collaborate on a story the Messiah Prophecy Murders is the story they would write Deep in war torn Poland in September 1939 a Red Army soldier about to execute a wounded Polish officer is brought to a trembling halt when he recognizes the officer as a boyhood friend s father who had been deeply generous to his own father when he was in desperate need of help to feed his impoverished family With the recollection of the father s acts of kindness the soldier hesitates fires a round harmlessly into the ground and whispers to the officer to lie still so that nearby soldiers who heard the shot will think their comrade did his duty and finished off the enemy officer The consequences of that act of mercy then caromed through time and space and the lives of the combatants and their progeny to land in a courtroom in Newport Rhode Island in a trial for murder in which the Polish officer s son Piotr Zaborski has been framed and betrayed by the soldier s son Nicolay Speshnev both of whom are naturalized U S citizens after having immigrated from Poland in their teens nearly thirty years earlier In the aftermath of the 9 11 attack on the World Trade Center the posh resort community of Newport was convulsed by the slayings of the stunningly beautiful daughters of three of its ultra wealthy Summer Colony families The features of the murders and the evidence found at each of the crime scenes most notably a handwritten prophecy of Christ s Second Coming strongly suggest that the killer is driven by depraved religious compulsions and obsessions Suspicion falls heavily on Zaborski who years earlier while a novice at a nearby Benedictine monastery was expelled from the monastery for mysterious reasons Since his expulsion he has become a fixture on the streets of Newport known for his often homeless destitute and eccentric existence for his ostentatious and frequent public displays of intense religiosity and aggressive Pro Life advocacy

and for his irrepressible habit of endlessly and seemingly aimlessly roaming the streets of Newport at all hours of the day and night dressed in filthy dumpster clothing embellished by an ever present outsized monk's rosary and crucifix draped conspicuously around his neck In the heated nearly hysterical atmosphere of Newport in the weeks after the murders the unsubstantiated accusations and inchoate suspicions directed at Zaborski harden into the conviction that he is the killer when law enforcement leaks to the media the text of the crime scene prophecies and the reports of forensic experts concluding that the prophecies were written in Zaborski's hand With public opinion howling for Zaborski's neck and with the summer tourist season fast approaching the city fathers mount a campaign of their own to pressure law enforcement into arresting Zaborski in the hope that with his arrest Newport will be able to return to its customary celebratory and pleasure seeking ways with crowded sun dappled beaches packed hotels and boisterous bars and restaurants The hope proves illusory however as the murder and mayhem continue even after Zaborski's arrest and incarceration pending trial From his perch as the maitre d of one of Newport's poshest waterfront restaurants the psychopathic but Armani sleek and charismatic Speshnev resumes his bloody siege of Newport which keeps the resort community in the grip of a crippling fear and dread Despite the further acts of violence while Zaborski is incarcerated the state relentlessly pursues its indictment against him Eventually it is only through the tenacious investigative efforts of Zaborski's pro bono but celebrated Boston defense counsel Anthony Caro and Caro's local Newport co counsel and love interest Maura Boyle that the long ago events in Poland are unearthed that lead to the evidence that wins Zaborski's acquittal at trial and to the arrest of Speshnev for the murders
