## **The Masters Perspective On Biblical Prophecy:**

*A Christian View of the Old Testament* James E. Smith, Ph.D., 2017-02-19 A collection of essays lectures and printed materials that address the issue of the proper use of the Old Testament in the church     *The Seven Seals of the Apocalypse* ,2009-04-01 Filling today s religious book market are Apocalypse commentaries teaching that the seven seals of Revelation 5 8 describe tragedies that are to take place in the last days Medieval Europeans on the other hand thought very differently about the seven seals Some used the seven seals for catechetical purposes and associated them with seven major events in the life of Christ or seven gifts of the Holy Spirit Other medieval writers taught that the seven seals contained symbols about life in the church between the first and second comings of Christ Still others viewed the seals as milestones in the grand outline of salvation history This book illustrates this vastness of medieval interpretive tradition on the seven seals It includes fifteen texts from the sixth through the fifteenth centuries which have been organized under three headings those illustrating christological interpretations of the seven seals those proposing ecclesiastical interpretations and those giving historical interpretations     The Master's Perspective on Biblical Prophecy Richard Mayhue, Robert L. Thomas, 2002 Foreword by John F MacArthur Jr A series designed for pastors and Bible students to bring the writings of notable Bible scholars and teachers on topical issues to a wider audience Chapters in this series previously appeared in The Master s Seminary Journal     **The One Year Women in Christian History Devotional** Randy Petersen, Robin Shreeves, 2014 Starting with Mary who initially discovered the empty tomb women have played a significant role in the history of the Christian church Their prayers their songs of faith and their steadfast perseverance in the face of adversity can still encourage us today Spend the year with some of the greatest women in Christian history from Claire of Assisi to Joan of Arc from Fanny Crosby to Susannah Wesley from Catherine Booth to Anne Bradstreet and many more This One Year book leaves no historical stone unturned in order to help you discover the amazing spiritual heritage you have in the lives of faith filled women of the past     *The Master and the Modern Spirit* Lewis Clinton Strang, 1925     Heaven Is Not My Home David James Burge, 2010-12-22 Heaven is Not My Home by David James Burge     **Four Views on the Book of Revelation** C. Marvin Pate, 1998 Of all the books of the Bible few are as fascinating or as intimidating as Revelation Four grim horsemen the Antichrist the ten horned beast the ultimate battle at Armageddon the mark of the beast It s no wonder that these images have gripped the imagination of so many and have been variously interpreted as symbolizing everything from Hitler and Gorbachev to credit cards and the Internet Is the book of Revelation a blueprint for the future A book of powerful symbolic imagery with warnings for the church Is it essentially an imaginative depiction of historical events in the first century Four Views on the Book of Revelation explores four interpretations of the book of the Apocalypse Preterist a historical interpretation arguing that most of John s prophecies occurred in the first century soon after his writing of them Idealist a spiritual or symbolic interpretation arguing that the events in Revelation are not literal and that apocalyptic literature requires a different approach than the Gospels or Epistles

Classical dispensationalism a literal interpretation based on a reading of Revelation that pays close attention to the rules of grammar and the separate eras of covenantal history Progressive dispensationalism a modification of classical that has its root in the understanding of Christ's reign beginning immediately after the resurrection The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

**Comprehending Christian Zionism** Göran Gunner ,Robert O. Smith,2014-10-01 The question of the Christian Zionism the religious and political support of the state of Israel is fiercely debated within theology and the church as well as in the wider political and social arenas Examination of the issue is however highly relevant and crucial as it cuts across a wide array of constitutive features and beliefs of Christian life from interpretation of scripture to religious and political ethics Comprehending Christian Zionism brings together an international consortium of scholars and researchers to reflect on the network of issues and topics surrounding this critical subject these essays are the fruit of several years of collaboration by the special working group on Christian Zionism The volume includes essays from Christian scholars around the globe as well as Jewish and Palestinian contributors to provide interfaith contextual dialogue Taken together the volume provides a lens on the history of Zionism within Christian theology from a variety of locations and perspectives and offers a constructive multidimensional path for assessment and introspection around the meaning of Zionism to Christian faith and practice

**A General View of the History of the English Bible** Brooke Foss Westcott,1872 *Are We Living in the Last Days?* Bryan Chapell,2024-02-06 Will Jesus's return be preceded by a single world government Will every person have a government issued ID or mark Does Christ return once

or twice Will believers go through a Great Tribulation Will there be a literal battle of Armageddon Does it even matter what we believe about future events Biblical prophecies about the end times have confused confounded and even divided God s people for centuries But the reason Scripture gives us hints about the future is to provide the encouragement we need to endure the present confident that God keeps his promises In this balanced look at four major views of the end times bestselling author Bryan Chapell explains the primary ways Christians have interpreted biblical prophecy about the last days not so that we might pick a hill to die on but so that we can cling to what unites us in Christ No matter what end times view we find most compelling in God s plans we can find strength for today and hope for tomorrow *Prophetic in Israel* Reinhard Gregor Kratz,2003 **American Book Publishing Record** ,2003 **A Rational View of the Bible** Newton Maurice Mann,1881 **Life Understood from a Scientific and Religious Point of View** Frederick Lawrence Rawson,1920 *Fides Et Historia* ,2004 Views of Christian Doctrine Held by the Religious Society of Friends Robert Barclay,1882 *From Age to Age* Keith A. Mathison,2009 Using the narrative method of biblical theology *From Age to Age* traces the eschatological themes of Scripture from Genesis to Revelation emphasizing how each book of the Bible develops these themes that culminate in the coming of Christ and showing how individual texts fit into the over arching picture The Princeton Theological Review ,1904
