## **The Missing Links Americas Greatest Lost Golf Courses And Holes:**

*The Missing Links* Daniel Wexler, 2000-06-29 While it's hard to imagine that famed Pebble Beach Golf Links would ever be dug up and turned into a residential community similar fates have happened to other great courses in the past Thankfully due to the exhaustive research of Daniel Wexler the full details on 27 of these exceptional layouts can be found in *The Missing Links America's Greatest Lost Golf Courses Holes* Through the use of period photographs and detailed maps Wexler takes the reader on a hole by hole guided tour of some of the most famous courses designed by some of America's most famous architects that no longer exist Alister MacKenzie's Sharp Park GC in California washed away in a Pacific storm William Langford's Key West GC in Florida destroyed by a hurricane and Charles Blair Macdonald's Lido Club sold to developers during the Depression are but three of the classic courses that can be played once more *Play Away Please*

John P. Hagen, 2011-01-25 The St Andrews Old Course Starter's Box was sold in a controversial international auction on 10 September 2001 the day before the infamy of the Twin Towers attack *Play Away Please* recounts the glory of the little building in St Andrews the home of golf and tells the tale of those who used its services for 77 continuous years Unlike many epics the story does not centre on a rich dynasty or a heroic quest for the truth Instead it centres on the production of the perfect round of golf and the global marketing of the Box one of the most celebrated buildings in the world of sport as a brand and an icon The book also chronicles the suspense and notoriety that greeted the Box after its voyage from Scotland to California by way of the Panama Canal and the role it assumed as an emotional balm for many in the aftermath of the 11 September atrocity Alas nothing is as simple as it seems and miracles are rare The businessman who bought the Box was imprisoned before it reached Los Angeles accused of stealing millions from the real estate development that was to be its home Eight years later a happy ending was finally brought about but only after a healthy dose of gut wrenching fear and suspense became a part of the story Supplemented with exclusive photographs *Play Away Please* is also a personal story of patronage and odyssey to assure the Box's preservation as the sporting world's consummate symbol of integrity and fair play Along the way the author brings to life the unforgettable local characters of Fife celebrating their customs lifestyle and unique command of the English language
