Splendid Mountains Peter Browning, 2007 Most of the early explorers of the Sierra Nevada were private individuals rather than members of government expeditions The more literate ones had accounts of their achievements published in newspapers and journals Many of these wilderness travelers have been immortalized by having their names placed on mountains lakes and streams Frank Dusy Wales Wallace and Wright Theodore S Solomons Bolton C and Lucy Brown Joseph N and Marion LeConte Lt N F McClure Cornelius Beach Bradley James E Hutchinson In this volume are their personal stories They are foremost among the few who pioneered the routes that are followed by so many at the present day Tourism in

the Mountain South C. Brenden Martin, 2007 C Brenden Martin examines tourism in the context of the transformation of transportation networks urban and rural community development and the changing role of government in regulating tourism Martin illustrates how tourism represents a double edged sword cutting both ways in its impact on the region It is a transformative force that has accelerated the modernization of the Mountain South in many ways and yet tourism has also provided the main economic rationale for the region s cultural historical and environmental preservation movements BOOK JACKET
