The Mysterious Island:

The Mysterious Island Jules Verne, 2013-09-01 At a time when Verne is making a comeback in the US as a mainstream literary figure Wesleyan is pleased to publish a new translation of one of his best known novels *The Mysterious Island* Although several editions under the same title are in print most reproduce a bowdlerized nineteenth century translation which changes the names of the characters omits several important scenes and ideologically censors Verne's original text *The Mysterious Island* was published in 1874 and it is one of Verne's longest novels The plot depicts a group of men who have become castaways stranded on an island in the Pacific during the American Civil War The novel describes their attempts not only to survive but also with the aid of the scientific and technological know how to rebuild their world from the meager resources of the island At the end however it is realized that Captain Nemo from *Twenty Thousand Leagues Under the Sea* has secretly been helping the settlers A marvelous adventure story *The Mysterious Island* is also notable for its modern retelling of the utopian deserted island myth with repeated echoes of *Robinson Crusoe* and the *Swiss Family Robinson* This Wesleyan edition features notes appendices and an introduction by Verne scholar William Butcher as well as reproductions of the illustrations from the original French edition *The Mysterious Island* Jules Verne, 2002-12-10 Based on the true story of Alexander Selkirk who survived alone for almost five years on an uninhabited island off the coast of Chile *The Mysterious Island* is considered by many to be Jules Verne's masterpiece Wide eyed mid nineteenth century humanistic optimism in a breezy blissfully readable translation by Stump Kirkus Reviews here is the enthralling tale of five men and a dog who land in a balloon on a faraway fantastic island of bewildering goings on and their struggle to survive as they uncover the island's secret *The Mysterious Island* Jules Verne, 2004-07-06 With little more than courage and ingenuity five Union prisoners escaped the siege of Richmond by hot air balloon They have no idea if they'll ever see civilization again especially when they're swept off by a raging storm to the shores of an uncharted island **The Mysterious Island** Jules Verne, 1986 Based on the true story of Alexander Selkirk who survived alone for almost five years on an uninhabited island off the coast of Chile *The Mysterious Island* is considered by many to be Jules Verne's masterpiece Wide eyed mid nineteenth century humanistic optimism in a breezy blissfully readable translation by Stump Kirkus Reviews here is the enthralling tale of five men and a dog who land in a balloon on a faraway fantastic island of bewildering goings on and their struggle to survive as they uncover the island's secret **The Mysterious Island** Jules Verne, 2022-10-19 Reproduction of the original *The Mysterious Island* Jules Verne, 1920 Escapees from a Confederate prisoner of war camp are carried by the winds in their balloon to a mysterious island in the middle of the Pacific Ocean where they must struggle for survival *The Mysterious Island Annotated* Jules Verne, 2020-07-14 Jules Verne's *The Mysterious Island* 1874 charts the adventure of a group of castaways on an uncharted South Pacific island It's both a shipwreck adventure and a mystery Contemporary readers would have found the greatest similarities between Verne's *Mysterious Island* and DeFoe's *Robinson Crusoe* 1719 the quintessential

castaway story But today The Mysterious Island will resonate with anyone familiar with the television show Lost While Lost spoilers are unforgivable divulging the secrets of The Mysterious Island is pardonable since the novel is nearly 150 years old Given the number of mysteries that arise during the course of the novel only one spoiler is really necessary to explain the novel it s a sequel to Verne s 20 000 Leagues Under the Sea 1870 The first 3 4 of the novel combine the castaways efforts to colonize the island and a series of unexplainable occurrences that help them along their way The great Captain Nemo finally shows up in the last 50 pages and his appearance explains the supernatural events **The Mysterious Island - Large**

Print Edition Jules Verne,2013-11 First published in 1874 The Mysterious Island is sort of a combined sequel to both 20 000 Leagues Under the Sea and In Search of the Castaways but it is very much its own novel Five Americans find themselves stranded on a strange island which they name Lincoln after the president The endure many hardships as they fight to survive and they adopt an orangutan which they name Jupiter After rescuing a man named Tom Ayrton from In Search of the Castaways they must battle pirates as they seek to understand the secret of the island This Large Print Edition features 16 point type **The Mysterious Island** Jules Vern,2009-03-31 One of the best science fiction works by the Jules Verne is

The Mysterious Island Jules Verne,2016-08-29T22:51:23Z The Mysterious Island tells the tale of five Americans who in an attempt to escape the Civil War pilot a hot air balloon and find themselves crashed on a deserted island somewhere in the Pacific Verne had been greatly influenced by works like Robinson Crusoe and The Swiss Family Robinson and that influence shines brightly in this novel of engineering ingenuity and adventure Verne imparts the escapees with such over the top cleverness and so many luckily placed resources that modern readers might find the extent to which they tame the island comical Despite that the island contains genuine mysteries for the adventurers to solve The standard translation of The Mysterious Island was produced in 1875 and is credited to W H G Kingston Despite its popularity it s widely criticized for abridging and Bowdlerizing important parts of the text The translation presented here produced by Stephen W White in 1876 is considered a much more accurate translation despite it also abridging some portions This book is part of the Standard Ebooks project which produces free public domain ebooks
