## **The Mystery Of Easter Island The Mystery Of Easter Island:**

*The Mystery of Easter Island* Katherine Routledge, 1998 Heavily illustrated with a wealth of old photos this book is a treasury of information on the most mysterious of islands Easter Island Rapa Nui **Easter Island** Thor Heyerdahl, 2015-09 Thor Heyerdahl spent much of his life investigating the mystery of Easter Island's ancient giant statues How were they made How were they moved What was the origin of the native legend that the statues walked **The Mystery of Easter Island** Katherine Pease Routledge, 1921 **The Mystery of Easter Island** Katherine Routledge, 2005 **The Statues that Walked** Terry Hunt, Carl Lipo, 2011-06-21 The monumental statues of Easter Island both so magisterial and so forlorn gazing out in their imposing rows over the island's barren landscape have been the source of great mystery ever since the island was first discovered by Europeans on Easter Sunday 1722 How could the ancient people who inhabited this tiny speck of land the most remote in the vast expanse of the Pacific islands have built such monumental works No such astonishing numbers of massive statues are found anywhere else in the Pacific How could the islanders possibly have moved so many multi-ton monoliths from the quarry inland where they were carved to their posts along the coastline And most intriguing and vexing of all if the island once boasted a culture developed and sophisticated enough to have produced such marvelous edifices what happened to that culture Why was the island the Europeans encountered a sparsely populated wasteland The prevailing accounts of the island's history tell a story of self-inflicted devastation a glaring case of eco-suicide The island was dominated by a powerful chiefdom that promulgated a cult of statue-making exercising a ruthless hold on the island's people and rapaciously destroying the environment cutting down a lush palm forest that once blanketed the island in order to construct contraptions for moving more and more statues which grew larger and larger As the population swelled in order to sustain the statue cult growing well beyond the island's agricultural capacity a vicious cycle of warfare broke out between opposing groups and the culture ultimately suffered a dramatic collapse When Terry Hunt and Carl Lipo began carrying out archaeological studies on the island in 2001 they fully expected to find evidence supporting these accounts Instead revelation after revelation uncovered a very different truth In this lively and fascinating account of Hunt and Lipo's definitive solution to the mystery of what really happened on the island they introduce the striking series of archaeological discoveries they made and the path-breaking findings of others which led them to compelling new answers to the most perplexing questions about the history of the island Far from irresponsible environmental destroyers they show the Easter Islanders were remarkably inventive environmental stewards devising ingenious methods to enhance the island's agricultural capacity They did not devastate the palm forest and the culture did not descend into brutal violence Perhaps most surprising of all the making and moving of their enormous statues did not require a bloated population or tax their precious resources their statue building was actually integral to their ability to achieve a delicate balance of sustainability The Easter Islanders it turns out offer us an impressive record of masterful environmental management rich with lessons for confronting the daunting environmental

challenges of our own time Shattering the conventional wisdom Hunt and Lipo's ironclad case for a radically different understanding of the story of this most mysterious place is scientific discovery at its very best **The Ancient Mystery of Easter Island** John A. Torres, 2007-03 To some Easter Island is just a tiny bit of volcanic rock in the middle of the Pacific Ocean To others it is the source of one of mankind's greatest mysteries Easter Island is home to hundreds of giant statues that people built centuries ago but no one knows why The statues are amazing Some of them wear headdresses made from red stone Others have large pieces of coral for eyes Almost as mysterious as the statues themselves is the fact that so many of them were never finished In fact tools used to make the huge stone structures were left right near the unfinished works What happened on Easter Island And why does it continue to captivate us *The Mystery of Easter Island* Katherine Scoresby Routledge, 1978 *MYSTERY OF EASTER ISLAND*, 2012 *The Mystery of Easter Island* Scoresby Routledge, 1909 **The Mystery of Easter Island** Scoresby Routledge, 1909 **The Mystery of Easter Island** Mrs. Scoresby Routledge, 2018-03-19 Excerpt from *The Mystery of Easter Island The Story of an Expedition* In dealing with the main topic of the work an endeavour has been made to give some idea of the problem of Easter Island as the Expedition found it and also of its work there With regard to this part some appeal is necessary to the understanding kindness of the reader for it has not been an easy tale to tell nor one which could be straightforwardly recounted The story of Easter is as yet a tangled skein The dim past to which the megalithic works bear witness the island as the early voyagers found it its more recent history and present state all of these are intermingled threads none of which can be followed without reference to the remaining clues For those who would have preferred more scientific and fewer personal details I can only humbly say wait there is another volume in prospect with descriptions and dimensions of some two hundred and sixty burial places on the island thousands of measurements of statues and other really absorbing matter The numerical statements in the present book dealing with archaeological remains must be considered approximate till it has been possible to go again through the large collection of notes It is fairly obvious why the writing of this story has fallen to the share of the sole feminine member of the Expedition I had also what was in spite of all things the good fortune to be fourteen weeks longer on the island than my husband They were fat weeks too when the first lean ones with their inevitable difficulties were past and the unsettlement towards the end had not arrived He has I need hardly say given me every assistance with this work Generally speaking all things which it is possible to touch and handle buildings weapons and ornaments were in his department while things of a less tangible description such as religion history and folk lore fell to my lot Those who know him will recognise his touches throughout and the account of the last part of the voyage after my return to England has been written by him About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an

imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**The Mystery of Easter Island** Marco Di Caprio, 2008-10-04 Year 2009 The archaeologists who have been working on Easter Island for many years try to disclose the mystery a sacred object that the island natives identify with this term and they intend to hide to the rest of the world The CIA has now pushed the holders of the island the Chileans to surrender this overseas possession to the United States because they intend to put a very sinister and dark plan into actions Why does the most powerful nation of the globe is so interested to a so small and meaningless island Meanwhile a turning point can be glimpsed in the investigations of the archaeologists that seem to follow the right way to discover the mystery of Easter Island by now but their adventure will be long and tortuous full of traps

**The Statues that Walked** Terry L. Hunt, Carl P. Lipo, 2011 The monumental statues of Easter Island gazing out in their imposing rows over the island's barren landscape have been a great mystery ever since the island was first discovered by Europeans How could the ancient people who inhabited this tiny speck of land the most remote in the vast expanse of the Pacific have built such monumental works and moved them from the quarry where they were carved to the coast And if the island once boasted a culture sophisticated enough to have produced such marvelous edifices what happened to that culture The prevailing accounts of the island's history tell a story of self-inflicted devastation a glaring case of eco suicide But when Terry Hunt and Carl Lipo began carrying out archaeological studies on the island in 2001 they uncovered a very different truth they show that the Easter Islanders were remarkably inventive environmental stewards rich with lessons for confronting the daunting environmental challenges of our own time

From publisher description

**The Mystery of Easter Island** Katherine Pease Routledge, 2019-03-20 Easter Island is one of the most remote locations on earth Located over two thousand miles off the coast of Chile the Rapa Nui people live isolated from the rest of the world The inhabitants who had settled on the island at some point between 300 and 1200 A D had developed their own unique culture language mythology art and sculpture Europeans had first stumbled upon the island and its inhabitants in 1722 yet even by the early twentieth century little was known or understood about Rapa Nui Katherine Routledge a British archaeologist and anthropologist decided to organize an expedition to the island and record the fascinating way of life and beliefs of the Rapa Nui With support from the British Association for the Advancement of Science the British Museum and the Royal Geographical Society and a crew borrowed from the Royal Navy Routledge and her husband set out on their ship the *Mana* on 25th March 1913 Routledge in her book **The Mystery of Easter Island** documents all the aspects of this lengthy expedition including the year long journey travelling across the Atlantic visiting Madeira Grand Canary the Cape Verde Islands Brazil Argentina sailing through the Strait of Magellan and finally Chile before landing on Easter Island in March 1914 While on the island Routledge records in brilliant detail how the inhabitants lived their oral history and legends that had been passed down through generations their religious

beliefs and cults prior to the emergence of Christianity on Easter Island as well as the famous the prehistoric remains on the island including the huge numbers of Moai statues The final section of the book covers the return section of the voyage visiting Pitcairn Island Tahiti the Hawaiian islands San Francisco going through the Panama canal Jamaica and various other Caribbean islands before finally finishing the journey in Southampton Katherine Routledge published her survey of Easter Island 1919 as *The Mystery of Easter Island* which became a popular travel book in the early twentieth century She suffered from schizophrenia for most of her life and was eventually institutionalized in 1929 and she passed away there in 1935

**Mystery of Easter Island** ,1919      Mysteries of Easter Island Laura Hamilton Waxman,2017-08-01 On Easter in 1722 a fleet of Dutch ships exploring the southeastern Pacific Ocean came across a small island that at first seemed uninhabited Instead the sailors found a community of people and hundreds of giant stone statues Easter Island and its statues have long been a source of mystery for explorers historians and tourists How did people come to live in such a remote place How had the islanders carved such enormous statues without metal tools And how had they moved them Read all about the myths and theories surrounding Easter Island as well as the science researchers are using to learn more      The Mysteries of Easter Island ,2014 An exploration of the questions and mysteries that have puzzled scholars and experts about the remote location of Easter Island including its culture giant statues and writing Features include a map fact boxes biographies of famous experts on Easter Island places to see and visit a glossary further readings and index      **Rapa Nui** Pete Wright,2001

**MYSTERY OF EASTER ISLAND** MRS. SCORESBY. ROUTLEDGE,2018      **Mysteries of Easter Island** Francis Mazière,1969 A French ethnologist writes about his nine month expedition on Easter Island and correlates his findings with the work of earlier researchers

## **The Mystery Of Easter Island The Mystery Of Easter Island Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Mystery Of Easter Island The Mystery Of Easter Island free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Mystery Of Easter Island The Mystery Of Easter Island free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The

Mystery Of Easter Island The Mystery Of Easter Island free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading The Mystery Of Easter Island The Mystery Of Easter Island. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Mystery Of Easter Island The Mystery Of Easter Island any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About The Mystery Of Easter Island The Mystery Of Easter Island Books**
