You are the visible representation of the invisible God In some few words i want to give you a revelation which you will find many as you study this book In the Gospel of Luke The physician said in Luke 1 1 As many have taken in hand to set forth in order a declaration of those things which are most surely believed among us The Strong Lite word used for order is known as anatassomai which is a composition of ana which implies into the midst among and tasso which is to place appoint station So the word means to put together in order or compose Before something has to be placed in the middle it means there is a beginning and an ending but the middle is empty or absent So a lot of people took it upon themselves to solve the missing puzzle which was the most important secret of the story of Jesus Because we only see the birth of Jesus and His death without any story of His growth A lot of people have really wondered what Jesus growth was like and what really happened those days Luke now tells us that these things were assembled by so many people and handed over to him In verse 2 he said Even as they delivered them unto us which from the beginning were eyewitnesses and ministers of the word The word he used in Greek for eyewitness is autoptes ow top tace where we have the medical term autopsy which is a detailed

examination Luke being a doctor or medical practitioner carried out his research on Christ as a doctor Since the body of Christ could not be found because He had resurrected and the Spirit was now in men known as ministers of the word Luke then had to carry the autopsy of Christ on His followers How can another man s autopsy be carried on another man if it is not same person You are the physical body of Christ and that is why His autopsy is carried on you
