The Manichaean Body Jason David BeDuhn, 2002-08-23 Award for the Best First Book in the History of Religions from the American Academy of Religion Reconstructing Manichaeism from scraps of ancient texts and the ungenerous polemic of its enemies such as the ex Manichaean Augustine of Hippo BeDuhn reveals for the first time the religion as it was actually practiced He describes the Manichaeans daily ritual meal their stringent disciplinary codes intended to prevent humans from harming plants and animals and their secretive religious procedures designed to transform the cosmos and bring about the salvation of all living beings Overturning long held assumptions about Manichaean dualism asceticism spirituality and the pursuit of salvation The Manichaean Body changes completely how we look at this ancient religion and the environment in which Christianity arose BeDuhn s conclusions revolutionize our understanding of the Manichaeans clearly distinguishing them from Gnostics and other early Christian heretics and revealing them to be practitioners of a unique world religion

*The Manichaeans of the Roman East* Rea Matsangou, 2023-08-28 The Manichaeans of the Roman East is the first monograph that synthesizes an enormous body of primary material to reconstruct the history of East Roman Manichaeans from the time their first missionaries arrived in the territory of the Roman East until the disappearance of Manichaeism from the Eastern Roman Empire Through her systematically comparative and intertextual investigation of the sources Matsangou provides a number of original approaches to issues such as the classification of Manichaeism the socio religious profile and lifestyle of East Roman Manichaeans the triggers of the severe anti Manichaean persecutions She thoroughly analyses the relationship between Manichaean and Christian ascetics for the first time suggesting a possible Manichaean impact on the rise of ascetic manifestations among Christian ascetics monks and individuals in society By considering the dimensions of the phenomenon of crypto Manichaeism and using the concept of entryism borrowed from politics as a theoretical model Matsangou makes intriguing hypotheses suggesting an alternative explanation for the disappearance of Manichaeism from the Roman East Journal of Early Christian Studies, 2003 Focus is on the study of Christianity in the context of late
