The Mastery Of Music Ten Pathways To True Artistry:

The Mastery of Music Barry Green,2003 From the author of the bestselling Inner Game of Music this book examines the ten key qualities that the greatest performers share Aimed at musicians and teachers at every level as well as non musicians who want an insight into how musicians work it looks at the qualities that define great musicians which are often associated with their instruments woodwind players and discipline trumpeters and confidence cellists and passion orchestras and communication and how these soul characteristics can be brought together to create great music Barry Green has interviewed a vast range of leading musicians in the US and UK from Evelyn Glennie Frederica von Stade Sir Thomas Allen and Peter Maxwell Davis to Celia Nicklin Dave Brubeck and Joshua Bell among many others The result is both an inspiring and thought provoking but also practical book which musicians everywhere will find invaluable *The Mastery of Music*

Barry Green,2008-11-19 The Inner Game of Music the breakout hit that became a standard primer in the music world has taught thousands of musicians professionals and amateurs alike how to overcome self consciousness and stage fright and to recapture a youthful almost effortless capacity to learn Now in his follow up book The Mastery of Music Barry Green turns his expert hand to the artistic qualities that make an extraordinary musician Culling advice from dozens of interviews with legends including Joshua Bell Dave Brubeck Jeffrey Kahane Bobby McFerrin Christopher Parkening Doc Severinsen Frederica von Stade the Harlem Boys Choir and the Turtle Island String Quartet he reveals that it's not enough to have a cerebral and emotional connection to the notes Green shows how musical excellence exhibited by true virtuosos requires a mastery of ten unique qualities of the soul and the human spirit such as confidence passion discipline creativity and relaxed concentration and he discusses specific ways in which all musicians composers and conductors can take their skills to higher levels He carefully incorporates all instruments and techniques in his rejuvenating discussions inspiring the stifled student to have fun again and the over rehearsed performer to rediscover the joy of passionate expression Essential reading for every musician The Mastery of Music strikes a beautiful new chord *The Mastery of Music* Barry Green,2005
