The Maternal Factor Two Paths To Morality:

The Maternal Factor Nel Noddings, 2010-04-24 In this provocative new book renowned educator and philosopher Nel Noddings extends her influential work on the ethics of care toward a compelling objective global peace and justice She asks If we celebrate the success of women becoming more like men in professional life should we not simultaneously hope that men become more like women in caring for others rejecting violence and valuing the work of caring both publicly and personally Drawing on current work on evolution and bringing concrete examples from women s lived experience to make a strong case for her position Noddings answers this question by locating one source of morality in maternal instinct She traces the development of the maternal instinct to natural caring and ethical caring offering a preliminary sketch of what a care driven concept of justice might look like Finally to advance the cause of caring peace and women s advancement Noddings urges women to abandon institutional patriarchal religion and to seek their own paths to spirituality

Thinking Jewish Culture in America Ken

Koltun-Fromm,2013-12-11 Thinking Jewish Culture in America argues that Jewish thought extends our awareness and deepens the complexity of American Jewish culture This volume stretches the disciplinary boundaries of Jewish thought so that it can productively engage expanding arenas of culture by drawing Jewish thought into the orbit of cultural studies The eleven contributors to Thinking Jewish Cultures together with Chancellor Arnold Eisen s postscript position Jewish thought within the dynamics and possibilities of contemporary Jewish culture These diverse essays in Jewish thought re imagine cultural space as a public and sometimes contested performance of Jewish identity and they each seek to re enliven that space with reflective accounts of cultural meaning How do Jews imagine themselves as embodied actors in America Do cultural obligations limit or expand notions of the self How should we imagine Jewish thought as a cultural performance What notions of peoplehood might sustain a vibrant Jewish collectivity in a globalized economy How do programs in Jewish studies work within the academy These and other questions engage both Jewish thought and culture opening space for theoretical works to broaden the range of cultural studies and to deepen our understanding of Jewish cultural dynamics Thinking Jewish Culture is a work about Jewish cultural identity reflected through literature visual arts philosophy and theology But it is more than a mere reflection of cultural patterns and choices the argument pursued throughout Thinking Jewish Culture is that reflective sources help produce the very cultural meanings and performances they purport to analyze
