The Mating Game A Primer On Love Sex And Marriage:

The Mating Game Pamela C. Regan, 2016-01-12 Pamela C Regan's *The Mating Game A Primer on Love Sex and Marriage* Third Edition is the only introductory text about human mating relationships aimed specifically at a university audience. Encompassing a wide array of disciplines, this comprehensive review of theory and empirical research takes an integrated perspective on the fundamental human experiences of attraction and courtship, mate selection and marriage and love and sex. Strongly grounded in methodology and research design, the book offers relevant examples and anecdotes along with ample pedagogy that will spark debate and discussion on provocative and complex topics. **Critical Thinking About Sex, Love, and Romance in the Mass Media** Mary-Lou Galician, Debra L. Merskin, 2007-07-10 *Critical Thinking About Sex Love and Romance in the Mass Media* investigates how romantic coupleship is represented in books, magazines, popular music, movies, television, and the Internet within entertainment, advertising, and news information. **Falling Out of Romantic Love** Crystal Wilhite Hemesath, 2019-07-04 In this innovative and user-friendly guide, Crystal Wilhite Hemesath identifies the factors that lead to relationship breakdown and suggests key strategies for the prevention and treatment of falling out of romantic love. FORL Grounded in research and two decades of clinical experience, *Falling Out of Romantic Love* outlines strategies for preparing and maintaining healthy, enduring romantic relationships, as well as what to do when FORL becomes a threat. Applicable to daily life and relevant to a wide range of scenarios, this book contains a plethora of information for individuals just beginning an intimate partner relationship, long married couples, or for those simply curious about romantic relationships and the problems that may arise. Helpful tips are also provided for individuals trying to decide if they should remain in a relationship, and for those experiencing heartbreak on the receiving end of FORL. Rich in real-life examples, this book arms professionals with a greater understanding of why people fall out of romantic love. It is an indispensable guide for marriage and family therapists, as well as other mental health professionals or clergy looking to incorporate additional tools and clinical interventions into their work. *Love in America* Lawrence R. Samuel, 2019-11-22 Widely considered the most complex of human emotions, romantic love both shapes and reflects core societal values, its expression offering a window into the cultural zeitgeist. In popular culture, romantic love has long been a mainstay of film, television, and music. The gap between fictitious narratives of love and real-life ones is, however, usually wide. American's expectations of romance and affection often transcend reality. Tracing the history of love in American culture, this book offers insight into both the national character and emotional nature. **The Greenwood Encyclopedia of Love, Courtship, & Sexuality Through History: The modern world** James W. Howell, 2008 Sex and love are central to daily life and to all nations. Despite the universality of these sentiments, their expression is largely shaped by the cultures in which they occur. This set explores sex, love, and culture around the world and across time. [A House Divided](#) Geoffrey W. Sutton, 2016-03-29 *A House Divided* helps answer the question: how do Christians form moral judgments about sex-linked issues? After analyzing

key differences between conservative and progressive Christians on such divisive issues as abortion sex education and same sex marriage readers will learn how a combination of four factors can lead to principled Christian morality First a review of diverse interpretive comments on relevant Scriptures can help identify a foundation for agreement as well as sharpen differences Second a review of psychological factors can help identify prejudices personality traits and powerful emotions that intensify and color public debate Third new research on moral psychology will add six dimensions of analysis to appreciating the reasons conservatives and progressives draw upon when forming moral judgments And finally knowledge about sexual attraction sexual orientation conception and sexual health is vital to thinking ethically about the specific issues addressed in this book Sex and Sexuality Richard D. McAnulty,M. Michele Burnette,2006 This three volume overview and summary of research data on a wide variety of sexual topics attempts to review what is known about human sexuality and how we know it **The Marriage and Family Experience** Bryan Strong,Christine DeVault,Theodore F.
