The Most Dangerous Game With A Bow Secrets Of The Pse Pros:

The Most Dangerous Game with a Bow: Secrets of the PSE Pros John Phillips, 2018-03-02 Can you face a wild animal with the ability to eat maul or trample you with only a bow and arrow in your hand When you stare death in the face at less than 30 yards can you control your fear and the adrenaline rush that hits you and do you have enough confidence in your shooting skills and your bow's ability to perform the task before it If you have then you've experienced what very few people on God's earth have the opportunity to do and survive From where does courage come How does a person obtain courage What can courage do for you Each time you face a fear a dangerous situation or a life and death experience and you push through the fear and the emotion of the moment you dip up a deep cup of courage and pour it into your being The more courage you obtain and the more fear you face the happier you can be My definition of happiness is the absence of fear The hunters we write about in this book are some of the happiest people I know Most enjoy the hunt for dangerous game far more than they enjoy the actual shots they take Hunting dangerous game with bows and arrows gives an individual an opportunity to step back to a time when survival depended on the accuracy and courage of the men and women who went afield with bows and arrows In this book you'll meet some amazing bowhunters who've had dreams of hunting dangerous game and have realized those dreams Most of these hunters have made many more than one dangerous game hunt If you've always dreamed of standing at full draw with a 1 000 pound Cape buffalo looking you in the eyes about to charge you've wondered how you will respond when close to a bull elephant that easily can turn you into a sausage patty or you're less than 30 yards from a brown bear that can take down and kill a moose weighing more than 800 pounds then I believe you'll really enjoy this book If you've always had a dream of making a dangerous game hunt this book will let you read about the men who've lived your dream and know how to fulfill your dreams
