once again tapped by the NYPD As she deciphers the evidence cryptic images that reveal both the paintings and the people who will be the next targets Kate is drawn into a world where art and art history provide lethal clues The Killing Art is Jonathan Santlofer's most gripping and chilling story yet but that isn't the only reason the novel is remarkable The author who is also an acclaimed artist has created works of art just for the book that tantalize and challenge readers by using well known symbols in innovative ways allowing them to decode the clues along with Kate A masterwork of both suspense fiction and art The Killing Art will impress both thriller readers and art fans as the plot twists and turns toward a shocking climax
