Stableford,2009-08-13 Once upon a time all literature was fantasy set in a mythical past when magic existed animals talked and the gods took an active hand in earthly affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more than 700 authors ranging across the entire historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites **The Shadow Lamp** Stephen R Lawhead,2013-09-20 The quest for answers and ultimate

survival hinges on finding the cosmic link between the Skin Map the Shadow Lamp and the Spirit Well The search for the map of blue symbols began in a rainy alley in London but has since expanded through space and time and includes more seekers Kit Mina Gianni Cass Haven and Giles have gathered in Mina s 16th century coffee house and are united in their determination to find a path back to the Spirit Well Yet with their shadow lamps destroyed and key pieces of the map still missing the journey will be far more difficult than they imagine And when one of their own disappears with Sir Henry s cryptic Green Book they no longer know who to trust At the same time the Zetetic Society has uncovered a terrifying secret which if proven will rock the very foundations of Creation The quest for answers is no longer limited to recovering an

unknown treasure The fate of the universe depends on unraveling the riddle of the Skin Map **The Spirit Well** Stephen R Lawhead,2013-06-21 Lawhead s intricately plotted compelling tale continues to demonstrate his mastery of world building Library Journal The Search for the Map and the secret behind its cryptic code intensifies in a quest across time space and multiple realities But what if the true treasure isn t the map at all what if the map marks something far greater Something one world cannot contain Those who desire to unlock that mystery are in a race to possess the secret for good or evil Kit Livingstone is mastering the ability to travel across realities using ley lines and has forged a link from the Bone House a sacred lodge made of animal bones to the fabled Spirit Well a place of profound power His friend Mina is undercover in a Spanish monastery high in the Pyrenees learning all she can from a monk named Brother Lazarus Still determined to find Kit she is beginning to experience a greater destiny than she can fathom Cassandra Clarke is overseeing an archaeological dig in Arizona when a chance encounter transports her to 1950s Damascus There she finds herself unwillingly drawn to the Seekers the last living remnants of the Zetetic Society who need her help to track down the missing Cosimo Livingstone and his grandson Kit But there are darker forces at work in the universe whose agents always seem to be one step ahead of the rest and they re all desperate to gain the ultimate prize in this treasure hunt where the stakes increase at every turn At the heart of the mystery lies the Spirit Well *Taliesin* Stephen R. Lawhead,2009-10-13 A magnificent epic of cataclysmic upheaval and heroic love in a breathless age of mythic wonders It was a time of legend when the last shadows of the mighty Roman conqueror faded from the captured Isle of Britain While across a vast sea bloody war shattered a peace that had flourished for two thousand years in the doomed kingdom of Atlantis From the award winning author of THE DRAGON KING TRILOGY comes a majestic tale of breathtaking scope and haunting beauty It is the remarkable adventure of Charis the courageous princess from Atlantis who escapes the terrible devastation of her land and of the fabled seer and druid prince Taliesin singer at the dawn of the age A story of an incomparable love that joins two astonishing worlds amid the fires of chaos and spawns the miracles of Merlin and Arthur the king TALIESIN Reminiscent of C S Lewis Highly recommended Library Journal
