Now she's earned her MBA and come to work at Michael's bakery empire. Max knows Carina is strictly off limits for the sake of his job and his friendship with Michael. But hot blooded lust wins out at a conference when the two share a scorching one night stand and are busted by her mother. To make matters worse, her family's constant judgment on the state of her life and her career is pushing her to the breaking point. Her best friend Lucas Vaughn is not interested in a relationship. He's seen how things can end and isn't about to open himself up to the kind of hurt that comes when the person you love leaves you. But hanging on to his single status is holding him back in more ways than one. Then they stumble on the perfect solution. They already live together, so why not just get married for six months?
