

# THE MARROW OF THEOLOGY

**WILLIAM AMES**  
(1576-1633)

Translated from the Latin  
with an introduction by  
**JOHN DYKSTRA EUSDEN**  
Foreword by Douglas Horton

# The Marrow Of Theology

**William Ames**

## **The Marrow Of Theology:**

The Marrow of Theology William Ames, 2014-09-07 The Marrow of Theology is a concise and comprehensive guide to the essential doctrines of the Christian faith written by the renowned Puritan theologian William Ames. This classic work first published in 1623 provides a systematic and accessible overview of the key tenets of Reformed theology covering topics such as the nature of God, the person and work of Christ, the role of the Holy Spirit, and the means of salvation. With its clear and logical structure, The Marrow of Theology serves as an invaluable resource for students, pastors, and laypeople seeking to deepen their understanding of the Christian faith and its practical implications for daily life.

The Marrow of Sacred Divinity William Ames DD, 2017-11-07 This republication of Dr William Ames' work seeks to promote the doctrines of distinguishing grace. Dr John Gill quotes often from Dr Ames in his works, and for this reason we have made The Marrow of Sacred Divinity available for the reader of today. The gospel truths are clearly Calvinistic and clearly beneficial for all to read. This work was translated for the Latin and we have done our best to correct the old-fashioned way of spelling words, so please excuse the errors.

William Ames (1576–14 November 1633) was an English Protestant divine, philosopher, and controversialist. He spent much time in the Netherlands and is noted for his involvement in the controversy between the Calvinists and the Arminians. The Arminians, or Remonstrants, as they were better known, opposed the rigid Calvinism of the Dutch Reformed churches, a rigidity also shared among the English Puritans. The Remonstrants argued two main points: that the human will played a significant, if not a controlling, role in salvation, and that Christ died for all men, not just the elect. On the second point, Arminius had made a special attack on the theory of predestination held by William Perkins, Ames's respective Cambridge tutor. Ames did battle in several tracts with Jan Uitenbogaert, Simon Episcopius, and especially Nicolaas Grevinchoven, an influential Remonstrant minister in Rotterdam. In the winter of 1618–1619, the whole Arminian conflict came to a climax during the Synod of Dort, to which Reformed theologians came from England, Holland, France, Switzerland, and Germany. Ames served as a consultant to the moderator of the Synod, which finally condemned Arminian theology. He prepared this work as his *Medulla Theologiae*, The Marrow of Theology, a manual of Calvinistic doctrine for his students. His works, which the *Biographia Britannica* (1778) testifies were known over Europe, were collected at Amsterdam in five volumes. Only a small proportion was translated into English. Ames' thought was particularly influential in New England.

John C. Biegel,2023-11-17 Learn to embrace assurance justification and repentance in Christ from this modern Marrow man Foreword by Sinclair Ferguson *The Marrow of Modern Divinity (PROXY)* Edward Fisher,2012-10-05 There is no question but every spiritual believing Jew when he brought his sacrifice to be offered and according to the Lord s command laid his hands upon it whilst it was yet alive Lev 1 4 did from his heart acknowledge that he himself had deserved to die but by the mercy of God he was saved and his desert laid upon the beast and as that beast was to die and to be offered in sacrifice for him so did he believe that the Messiah should come and die for him upon whom he put his hands that is laid all his iniquities by the hand of faith The Marrow of Modern Divinity was a scandal when it was first presented to the reading public in the mid 17th century In this book Edward Fisher wrote under the pseudonym E F boldly proclaiming the Calvinistic doctrines of grace and the free offer of the gospel Most accented of the themes is his treatment of unconditional election over and against the throes of legalism and antinomianism of his day Take up this book and find out just how liberating the doctrines of grace can be This edition contains the original two part work with Thomas Boston s notes the appendix and an active table of contents The Marrow of Modern Divinity is part of The Fig Classic Series on Post Reformation Theology To view more books in our catalog visit us at fig books com *The Church Association Monthly Intelligencer* Church Association,1871

**Orthodoxies in Massachusetts** Janice Knight,1997 Reexamining religious culture in seventeenth century New England Janice Knight discovers a contest of rival factions within the Puritan orthodoxy Arguing that two distinctive strains of Puritan piety emerged in England prior to the migration to America Knight describes a split between rationalism and mysticism between theologies based on God s command and on God s love A strong countervoice expressed by such American divines as John Cotton John Davenport and John Norton and the Englishmen Richard Sibbes and John Preston articulated a theology rooted in Divine Benevolence rather than Almighty Power substituting free testament for conditional covenant to describe God s relationship to human beings Knight argues that the terms and content of orthodoxy itself were hotly contested in New England and that the dominance of rationalist preachers like Thomas Hooker and Peter Bulkeley has been overestimated by scholars Establishing the English origins of these differences Knight rereads the controversies of New England s first

decades as proof of a continuing conflict between these two religious ideologies The Antinomian Controversy provides the focus for a new understanding of the volatile processes whereby orthodoxies are produced and contested This book gives voice to this alternative piety within what is usually read as the univocal orthodoxy of New England and shows the political social and literary implications of those differences The Philosophical Review Jacob Gould Schurman, James Edwin Creighton, Frank Thilly, Gustavus Watts Cunningham, 1930 An international journal of general philosophy **The Religious Formation of John Witherspoon** Kevin DeYoung, 2020-02-05 This book explores in unprecedented detail the theological thinking of John Witherspoon during his often overlooked ministerial career in Scotland In contrast to the arguments made by other historians it shows that there was considerable continuity of thought between Witherspoon s Scottish ministry and the second half of his career as one of America s Founding Fathers The book argues that Witherspoon cannot be properly understood until he is seen as not only engaged with the Enlightenment but also firmly grounded in the Calvinist tradition of High to Late Orthodoxy embedded in the transatlantic Evangelical Awakening of the eighteenth century and frustrated by the state of religion in the Scottish Kirk Alongside the titles of pastor president educator philosopher should be a new category John Witherspoon as Reformed apologist This is a fresh re examination of the intellectual formation of one of Scotland s most important churchman from the eighteenth century and one of America s most influential early figures The volume will be of keen interest to academics working in Religious History American Religion Reformed Theology and Calvinism as well as Scottish and American history more generally

If you ally obsession such a referred **The Marrow Of Theology** book that will manage to pay for you worth, acquire the enormously best seller from us currently from several preferred authors.
