

The Massacre El Mozote

"Once in a rare while a writer reexamines a debated episode of recent history with such thoroughness and integrity that the truth can no longer be in doubt.

Mark Danner [has done] just that."

—Anthony Lewis, *The New York Times*

Ellen Moodie

The Massacre At El Mozote Mark Danner:

The Massacre at El Mozote Mark Danner, 1994-04-05 In December 1981 soldiers of the Salvadoran Army's select American-trained Atlacatl Battalion entered the village of El Mozote where they murdered hundreds of men, women, and children, often by decapitation. Although reports of the massacre and photographs of its victims appeared in the United States, the Reagan administration quickly dismissed them as propaganda. In the end, El Mozote was forgotten. The war in El Salvador continued with American funding. When Mark Danner's reconstruction of these events first appeared in *The New Yorker*, it sent shock waves through the news media and the American foreign policy establishment. Now Danner has expanded his report into a brilliant book, adding new material as well as the actual sources. He has produced a masterpiece of scrupulous investigative journalism that is also a testament to the forgotten victims of a neglected theater of the cold war.

The El Mozote Massacre

Leigh Binford, 1996 Through fieldwork among the surprisingly numerous survivors, the author reconstructs the recent social structure, culture, and history of the northeastern Salvadoran village of Segundo Montes before, during, and after the infamous massacre. She tries to place anthropology squarely into political issues but also focuses on the people's oral testimonies more than on her own ethnography, especially resisting the easy total categorization of the survivors as victims. *Handbook of Latin American Studies* v 57

Massacre at El Mozote: A Parable of the Cold War

Mark Danner, Rk Danner, 1994-04-01

The Memorialization of Genocide Simone Gigliotti, 2017-10-02 Divided societies, tormented pasts and unrepentant perpetrators. Why are some countries more intent on vanquishing uncomfortable pasts than others? How do public and often unsightly attempts at memorialisation both fail the victims and valorize their oppressors? This book offers fresh and original perspectives on dictatorship, fascism and victimization from the bloodiest decades in Europe's, Australia's and Central America's colonial and modern history. Chapters include analyses of Francoist memorials in Spain, assessments of the El Mozote massacre in El Salvador, the forgetting of frontier colonial violence in Tasmania, Romania's treatment of its Roma populations in the midst of Holocaust memorialisation in Bucharest, s urban development and whether or not the Holocaust continues to serve as an instructional model or impossible aspiration for cross-cultural genocide memorialisation strategies. In an era of ongoing political, ethnic and religious conflict and unrepentant insurgent activity around the world, this collection reminds readers that genocidal actions wherever and whenever they occurred must be held to account by more than rhetoric and concrete memory. This book was originally published as a special issue of the *Journal of Genocide Research*.

The Daughters of the Plaza de Mayo David Moshman, 2006 In the late 1970s some 30 000 Argentines, mostly young men and women thought to have leftist sympathies, were kidnapped and tortured to death by the military government, which denied what was happening. In response, the mothers of the disappeared came together and marched in Buenos Aires at the Plaza de Mayo, demanding week after week that their children be returned or accounted for. Democracy was finally restored with promises of truth and justice. As memory gave way to historical amnesia, however, and judicial

processes to reconciliation the Mothers of the Plaza de Mayo continued to march Do not forget they insisted do not forgive Sixty years later a nonlocalizable electronic agent that calls itself the Daughters of the Plaza de Mayo emerges on the global Network No one knows what the Daughters are or what they want They tell horrifying stories from Argentina and elsewhere They provide seemingly endless lists of victims names They invoke El Eternauta a comic book character from a space beyond time to press a moral perspective that demands the impossible They are singular and plural informative and obscure irritating threatening unclassifiable and relentless in the pursuit of their agenda whatever that may be

When the Sun Comes Up in the West Robert C. Cook,2011-12 This book tells the story of a Presbyterian minister who truly took the biblical call to do justice seriously It tells of his journey to serve the poor in El Salvador and in doing so his learning more about what it means to be a follower of Jesus from the people he served Publisher
