## **The Modern Girls Guide To Life Modern Girls Guides:**

*The Modern Girl's Guide to Life* Jane Buckingham, 2009-10-13 A stylishly smart collection of practical advice for the busy modern woman. With information on entertaining, etiquette, housekeeping, basic home repair, decorating, sex, and beauty, this indispensable book has everything today's young woman should know but may not. The Modern Girl's Guide to Life is a collection of all the helpful tips and secrets that get passed on from generation to generation, but many of us have somehow missed. It's full of practical, definitive advice on the basics the day to day necessities like finding a bra that fits, balancing a checkbook, making a decent cup of coffee, and hemming a pair of pants. Modern Girl guru Jane Buckingham includes loads of savvy counsel to help us feel more refined in charge and together as we navigate the rocky terrain that is twenty-first-century womanhood.

**The Modern Girl's Guide to Sticky Situations** Jane Buckingham, 2010-05-18 The author of the phenomenally popular Modern Girl's Guide to Life Jane Buckingham is back with The Modern Girl's Guide to Sticky Situations, a helpful handbook for surviving headaches, pickles, jams, and everyday emergencies. The president of the innovative marketing and media consulting firm Trendera and a regular contributor to Cosmopolitan Magazine Jane Buckingham dispenses savvy solutions to life's myriad little annoyances with warmth, great wit, and impeccable wisdom.

*Guiding Modern Girls* Kristine Alexander, 2017-11-15 Across the British Empire and the world the 1920s and 1930s were a time of unprecedented social and cultural change. Girls and young women were at the heart of many of these shifts, which included the aftermath of the First World War, the enfranchisement of women, and the rise of the flapper or Modern Girl. Out of this milieu the Girl Guide movement emerged as a response to popular concerns about age, gender, race, class, and social instability. The British-based Guide movement attracted more than a million members in over forty countries during the interwar years. Its success, however, was neither simple nor straightforward. Using an innovative multi-sited approach, Kristine Alexander digs deeper to analyze the ways in which Guiding sought to mold young people in England, Canada, and India. She weaves together a fascinating account that connects the histories of girlhood, internationalism, and empire while asking how girls and young women understood and responded to Guiding's attempts to lead them toward a service-oriented, useful, feminine future.

**The Modern Girl's Guide to Motherhood** Jane Buckingham, 2009-10-13 From the author of the bestselling *The Modern Girl's Guide to Life* comes a must-have book for the young mom, including best-kept secrets, practical advice, and multiple solutions for problems from birth to age four. Just when you thought you could cook, hey, one meal counts, clean, if the queen was coming, and seduce a man well long enough to get married, life throws you a curveball that makes all of your previous ineptitudes in life pale in comparison. With the appearance of one little extra line on a pregnancy test, you're thrown into a world of covering up leaks on shirts and taking a pacifier away from a two-year-old who has the grip of a pit bull. In this funny, smart, and honest book, Jane Buckingham cuts through the clutter to give you simple information and practical advice for navigating the different stages of motherhood. From how to get your child to sleep and how to wean to

how to get him off the pacifier and how to stop his tantrums this book will help moms feel in the know and in control Some of Buckingham s favorite tips If your baby has a hard time feeding because of a stuffy nose turn on the shower to steam up the bathroom and feed her there Put your children s paints in an empty egg carton it s the perfect size and there s no mess to clean up when you re done Use an old raincoat with the arms cut off as a smock You should buy a new car seat rather than borrowing a friend s old car seat as there are constant safety upgrades Also be sure you are the person registered to that car seat send in that registration card so that you ll be notified in case of a recall Keep the three day rule in mind Almost any bad habit can be broken in three days Granted they may be tough torturous days but you can do it The Modern Girl s Guide to Motherhood helps modern moms do it all with love style and flair

The Modern Age Kent Baxter,2008-10-14

The Modern Age examines the discourses that have come to characterize adolescence and argues that commonplace views of adolescents as impulsive conflicted and rebellious are constructions inspired by broader cultural anxieties that characterized American society in early twentieth century America The idea of adolescence argues Kent Baxter came into being because it fulfilled specific historical and cultural needs to define a quickly expanding segment of the population and to express concerns associated with the movement into a new era Adolescence a term that had little currency before 1900 and made a sudden and pronounced appearance in a wide variety of discourses thereafter is a modern age not only because it sprung from changes in American society that are synonymous with modernity but also because it came to represent all that was threatening about modern life Baxter provides a preliminary history of adolescence focusing specifically on changes in the American educational system and the creation of the juvenile justice system that carved out a developmental space between the child and the adult He looks at the psychological works of G Stanley Hall and the anthropological works of Margaret Mead and explores what might have inspired their markedly negative descriptions of this new demographic He examines the rise of the Woodcraft Indian youth movement and its promotion of red skin values while also studying the proliferation of off reservation boarding schools for Native American youth where educators attempted to eradicate the very red skin values

promoted by the Woodcraft movement Finally Baxter studies reading at the turn of the century focusing specifically on Horatio Alger the Ragged Dick series and Edward Stratemeyer the Tom Swift Nancy Drew and Hardy Boys series and what those works reveal about the problem of adolescence and its solutions in terms of value both economic and moral
